Fall In Fall Out The Dogface Years:

The Fall of the Year Howard Frank Mosher, 2014-07-29 A priest's adopted son narrates a colorful tale of small town Vermont life in this autobiographical novel from the author of *A Stranger in the Kingdom*. Set in the beautiful mountains of Kingdom County, *The Fall of the Year* is Howard Frank Mosher's brilliant autobiographical novel about love in all its forms from friendship to the most passionate romance in a place where family, community, vocation, and the natural world still matter profoundly. Here are the lively stories of the eccentric inhabitants of Kingdom County including Louvia the Fortuneteller, Foster Boy Dufresne the local bottle picker and metaphysical savant, the incomparably strange clairvoyant and matchmaker Louvia the Fortuneteller, Dr. Sam E. Rong a wayfaring Chinese herbalist and connoisseur of human nature, the itinerant vaudevillian mind reader Mr. Moriarity, Mentality who uses his unusual powers to teach the town fathers a lesson they will never forget, and the daredevil tomboy Molly Murphy who risks her life to fulfill her dream of running away with the Greatest Little Show on Earth. Mosher's kingdom is timeless. It existed well before man, has survived his spell upon it, and will do so long after the curtain has fallen. *Washington Post Book World* Praise for *Fall of the Year*: Impossible to read without recalling the best tales of Washington Irving and Mark Twain. Richard Russo: Superb storytelling, a delightful novel filled with humor and grace. Alice Hoffman: Dialogue so right that you feel like you're eavesdropping on a small special world. *New York Times Book Review*: Mosher at his agile best, spinning a tale that richly melds vibrant character sketches and a palpable sense of place. His spare folktale style, a wide spectrum of unforgettable minor characters, and rich sense of story sustain this ultimately winning novel. *Publishers Weekly* Fall In, Fall Out Joseph Crew, 2014-10-13 Son The Army Will Make A Man Out Of You At seventeen years old and with parental permission, Joseph Crew and his identical twin brother enlisted in the army in 1958. Their destination was the Third Armored Division in Germany, the same outfit as Elvis Presley. Their parents were in the beginning stages of divorce, and Joseph and his brother were looking to escape the domestic warfare. Little did they know they'd be trading one battle zone for another. *Fall In, Fall Out* is Joseph's memoir set against the backdrop of President Truman's racially integrated army charged to protect Western Europe from Russia's hostile, overwhelming might during the deepening freeze of the Cold War. The book is about friendships, sexual discovery, racial tensions, and the heartbreak of young love. It starkly depicts barracks life and bleak war game maneuvers and brings to life the flesh trade in a Mexican border town, the nightclubs of Copenhagen, the seedy streets of Amsterdam's red light district, and the glittering neon lights of Paris and Frankfurt, offering a glimpse of what those cities were like thirteen years after the defeat of Nazi Germany. Based on hastily scribbled yet carefully preserved writings from the last six months of Joseph's military service, *Fall In, Fall Out* skillfully brings history to life. But it's also a coming of age story about two brothers struggling to become men, a touching tale resurrected from the ashes of memory. **Fall In, Fall Out** Joseph Norman Crew, 2014-10-13 Son The Army Will Make A Man Out Of You At seventeen years old and with parental permission, Joseph Crew and his identical twin brother Richard

The Folkstories of Children Brian Sutton-Smith, 2012-10-08 What prompts children to tell stories What does the word story mean to a child at two or five years of age The Folkstories of Children first published in 1981 features nearly five hundred stories that were volunteered by fifty children between the ages of two and ten and transcribed word for word The stories are organized chronologically by the age of the teller revealing the progression of verbal competence and the gradual emergence of staging and plot organization Many stories told by two year olds for example have only beginnings with no middle or end the narrative is held together by rhyme or alliteration After the age of three or four the same children tell stories that feature a central character and a narrative arc The stories also exhibit each child s growing awareness and management of his or her environment and life concerns Some children see their stories as dialogues between teller and audience others as monologues expressing concerns about fate and the forces of good and evil Brian Sutton Smith discusses the possible origins of the stories themselves folktales parent and teacher reading media required writing of stories in school dreams and play The notes to each chapter draw on this context as well as folktale analysis and child development theory to consider why and how the stories take their particular forms The Folkstories of Children provides valuable evidence and insight into the ways children actively and inventively engage language as they grow
