Fledgling Natasha Brown, 2012-01-15 FLEDGLING was a finalist in the Rocky Mountain Fiction Writers Contest and is inspired by the author's own daughter who was born with heart defects What People Are Saying Love Love Love this book I really enjoyed this book The romance was slow paced yet beautifully crafted Its refreshing to see young adults taking their time to know each other before assuming an instant relationship The heroine learns to accept her dire circumstances and approaches life with new found hope The hero is patient yet willful and strong when it comes to taking care of all he holds dear Together they have a natural and loving bond that will gracefully transcend into the years to come I had a great time reading this book I didn't see that coming I am a firm believer that you can never hear too many good things and I just wanted you to know how much I enjoyed your book I can not wait to see what you have next I hope you intend to finish the sequel series I hate not knowing how things end Book Description Normal Wouldn't that be nice Ana Hughes has always wanted to be like any other teenager But her life threatening heart condition has always gotten in the way A fresh start in a new town gives her the opportunity to pretend she's like everybody else When she meets handsome Chance Morgan she suspects she isn't the only one keeping a secret Chance's animal like senses and miraculous healing ability make Ana question if he's playing tricks on her The truth may be too much for Ana's delicate heart But there could be a greater danger if a supernatural world exists where everything and everyone are not what they seem The Shapeshifter Chronicles Fledgling Prodigy Emergent Ascension **Arcane Forest - Get Lost in Worlds of Fantasy and Awe!** W.J.
