The American Jewish Chronicle ,1917 **Northwestern Christian Advocate** ,1915 **The Standard** ,1903 *The New Treasury of Scripture Knowledge* Thomas Nelson,2024-03-26 An exhaustive cross referencing tool for interpreting Scripture with Scripture The Bible is its own best commentary To truly understand what the Bible teaches about a subject we must consult all of what the Bible itself says about it The New Treasury of Scripture Knowledge allows you to do just that providing a

selection of other verses which shed light upon clarify or explain the verse you are consulting Unlike a concordance which is an alphabetical index to the words of the Bible the cross references given in the New Treasury are not merely to the same word but to the same or a related thought theme doctrine subject concept or literary motif even when expressed in entirely different words Special Features Indicates degree of clarity significance or relationship between references Can be used with any translation or edition of the Bible Is arranged like the Bible divided into the same books chapters and verses for ease of use Provides a far more complete selection of cross references than can be found in any other source Contains dozens of special study aids to help you develop powerful lessons or sermons straight from the Bible itself Contains multiple indexes subjects figures of speech etc Uses Strong's numbering system Uses a new font that makes it easier to read than previous versions No combination of other Bible study tools quite duplicates the carefully research and indexed content in The New Treasury of Scripture Knowledge When used effectively this invaluable resource will change your life **A Commentary on**

the Holy Bible Matthew Poole, 1662 Poole's uncommon gift of compactness and comprehensiveness enabled him to distil into his work material that was generally spread over many folio volumes When the exhaustiveness of Puritan literature later became a cause of disfavour Poole's commentary was exempt from the criticism and even in the 19th century Richard Cecil could say If we must have commentators as we certainly must Poole is incomparable and I had almost said abundant of himself His supreme concern is to clarify the meaning of the text Consequently where the meaning is plain he spends little time but on difficult passages he is fullest and frequently gives a survey of various views with reasons for his own conviction In this way he brings out the importance and relevance of obscure passages particularly in the Old Testament *Bible*
