Broken Discarded When the hard truths of my ex husband were exposed my world and that of our kids changed forever We were tossed away like yesterday s trash by the man that was supposed to protect and cherish us With my life in tatters I had to stay strong I had to be the support for my kids I had to show them that we could rise above so I did the one that brought me peace I baked I never expected to trust a man again but fate had other plans The moment he walked into my bakery everything changed It wasn t just my life but that of my kids as well He lifted us from rock bottom and helped us heal Loved Cherished Appreciated **In Pursuit of Jefferson** Derek Baxter,2022-03-15 A debut that combines historical nonfiction

with travel books for fans of Bill Bryson and Tony Horwitz In Pursuit of Jefferson is the story of an American on a journey through Europe following the epic trail of Thomas Jefferson A controversial founding father A man ready for a change And a completely unique trip through Europe In 1784 Thomas Jefferson was a broken man Reeling from the loss of his wife and stung from a political scandal during the Revolutionary war he needed to remake himself To do that he traveled Wandering

through Europe Jefferson saw and learned as much as he could ultimately bringing his knowledge home to a young America There he would rise to power and shape a nation More than two hundred years later Derek Baxter a devotee of American history stumbles on an obscure travel guide written by Jefferson Hints for Americans Traveling Through Europe as he s going through his own personal crisis Who better to offer advice than a founding father himself Using Hints as his roadmap Baxter follows Jefferson through six countries and countless lessons But what Baxter learns isn t always what Jefferson had in mind and as he comes to understand Jefferson better he doesn t always like what he finds In Pursuit of Jefferson is at once the story of a life changing trip through Europe an unflinching look at a founding father and a moving personal journey With rich historical detail a sense of humor and boundless heart Baxter explores how we can be better moving forward only by first looking back
