Tony Bramley,2019-08-18 Take control of your photography Fed up with inconsistent pictures from your camera  
Disappointed with your photos Getting lost in encyclopedic photography books full of technical jargon You may want to excel  
more in your photography or just impress your friends and family with your photos Light Academy Photo Companion Guides  
help you to become a better photographer simply I began training in 2013 since then students have commented that many  
books confuse them Technical information becomes overwhelming and halts the learning process The Light Academy Photo  
Companion Guides are short helpful and easy to follow Some also contain a field guide at the back Keep them with you on  
your tablet or phone or by your workstation I have kept them at around 30 pages to keep the learning process manageable

**Made Simple** Edward Marteson,2020-04-03 There will be times when you feel sentimental and just wish that you can save  
the moments instead of letting them pass you by You want to be in the moment and yet capture the moment You want to  
make sure that you get to keep something out of it as well a souvenir a memento anything that will remind you about it in the  
future You want to make ensure yourself that you will be able to look back at this later And what better way to do this than to  
get a camera that is going to help you out with your goal There are so many cameras out there that it can seem a bit hard to  
figure out which one you should get but it would be great if you can make sure that you will find one that is going to be the  
right one for you In line with this choosing the perfect camera can be a bit of struggle However what you should do is to

compare one with the other and finally select the best one there is and you would not be having any problems at all in the long run for sure But in the case that you feel like maybe you want to try out something out of the ordinary the Fujifilm XT30 is the right one for you so you might as well check it out This book will be talking all about it its features its price and basically all the things that you will need to know about the camera to help you decide if it is the right one for you or not Know more about this wonderful camera and see for yourself if it is the one that will suit you best     **The Fujifilm X-T1, 2nd Edition** Rico Pfister, 2015-11-30 In this book popular Fuji Rumors X Pert Corner columnist Rico Pfister teaches about the little known capabilities of the X T1 which he s discovered through months of in depth research and experimentation with the camera After a brief overview of the camera s basic functions Rico cuts to the chase and provides a plethora of tips and practical instructions not found in the user s manual This second edition includes descriptions of new features and updates to firmware With this knowledge you will be able to fully exploit the capabilities of the X T1 The Fujifilm X series cameras have amazing features but may require an adjustment period for those new to using these cameras even photographers who have been lifetime DSLR shooters This guide will help you to quickly feel comfortable using your camera so that you can achieve excellent results This book includes complete coverage of the camera s new firmware 4 features that were introduced in July 2015 Topics covered include Menu shortcuts Long exposures Firmware upgrades Hybrid autofocus system Auto and manual focusing Face detection ISOless sensor Dynamic Range expansion Film simulations Custom settings RAW conversion Panoramas Movies Self timer Flash Adapted lenses And much more     *Fujifilm X100V: Guide to Learning the Fundamentals* Edward Marteson, 2020-05-06 There are a lot of things that you can do with a good camera such as taking good photographs recording great moments and a whole lot more However you need to find the camera that you are going to buy for this to happen Since there are a lot of good cameras in the market it can be quite hard to pick the one that would fit you the most depending on what you are going to use it for Therefore it is important to get to know more about the camera that you are planning to buy In line with this the Fujifilm X100V is one of the best choices that you can make and that is why a lot of people are invested in it Thus it would be wonderful if you can check it out yourself This book will be all about the Fujifilm X100V its specification and features so that you can get to know it more and be able to decide if it is going to be the one for you     **Mastering the Fujifilm X100T and X100S** Peter Fauland, 2015-08-28 The X100T is the third generation in Fujifilm s popular groundbreaking and award winning X100 series cameras With its small size powerful functionality and classic rangefinder design the X100 line has become the go to camera for travel snapshots and street photography for amateurs and professionals alike This book sets the X100T alongside its predecessor the X100S explaining everything you need to know to get the most out of these exceptional cameras In Mastering the Fujifilm X100T and X100S photographer Peter Fauland goes well beyond the camera manual to offer ambitious photographers both in depth techniques and helpful tips on how to get the most out of their cameras Fauland not only explains each camera s functions and features he provides
