When small town bookstore owner Claire Delaney calls customer service to track down a missing book, the last thing she expects is to enjoy the conversation. But Will, the charming voice on the other end of the line, turns a frustrating mix-up into a playful exchange of literary debates and unexpected chemistry. What starts as a series of texts and book challenges takes a surprising turn when Will shows up in Whispering Falls for the weekend. As Claire gives him a tour of her town, their connection deepens, leaving them both wondering: could this be more than just a fleeting chapter? A heartwarming short romance about books, banter, and the magic of an unexpected connection. **Love, Life and Beyond** Pamela Hamilton, 2017-03-17. What if a family was introduced into your almost perfect life and turned your world upside down in the worst way? What if these people made you feel vulnerable, uncertain, maybe even insecure? Now let's take this a step further. What if this family were racist and you were black? And what if you had been a part of this distasteful family and you had no clue? Could it be possible that you had been reincarnated purposefully to face the hate that you once gave out? Perhaps you have been picked by a loving universe to bring this racist family to an awakening, although you don't remember making this agreement. This is what happens to Nova, an intelligent, pretty, secure young woman who lives in an affluent black family where everything seemed to be in its proper perspective. That is, until the Young family arrives in her town. Amid issues of racism, drugs, and teen problems, *Love, Life and Beyond* shows the reader another way at looking at life's jarring troubles through the story of Anne, a racist from the South who dies from a brain aneurysm. After some time to reflect in the spiritual realm, Anne's soul is ready for another trial on Earth, this time in the body of Nova, a black girl. Having no clue of her previous non-physical proclamation to transform their beliefs, a personal battle erupts when Trent and Nova are thrown together many times through distressing situations. Sonia gets involved with the wrong crowd and begins using drugs, and Nova is the only person capable of helping Brenda and her family. Trent resents her association with his family and, like a smoldering volcano, Trent and Nova reach their boiling point with venomous hate for one another until something unforeseen happens, and the

impact of it alters all of their lives forever *Vacancy: A Love Story* Tracy Ewens, 2016-08-16 If only life were as simple as filling a vacancy Hollis Jeffries is a dynamo as her father likes to say She s the youngest vice president at Dobbins Capital She wows investors runs marathons and speaks three languages As the oldest Hollis is always first to try and first to succeed According to the other Jeffries sisters she s practically perfect until she s not Matthew Locke grew up in the shadow of his brother s death and with the added pressure of his parents expectations They want him to take over the family coffee shops someday but Matt has other plans Despite the grumblings of his working class parents he has found success in Silicon Valley even after dropping out of Stanford a semester shy of graduation Matt has spent most of his life under the radar and there s not much he s willing to rock the boat for until there is Hollis and Matt met on Tomales Bay the summer they both turned twelve and during the summers that followed they grew up and fell in love One night after an unexpected test they fell apart Now twelve years later Hollis who seeks refuge at her uncle s seaside cottages to ride out a storm of her own making and Matt weighed down by obligation to his parents both return to Tomales Bay Forced to share another summer in the small town that brought them together will Hollis and Matt be able to move beyond the echo of their past and into a future filled with ever after Below are courtesy content warnings to the best recollection They cover the major topics themes but may not be as nuanced as other trigger content warning sites loss of a loved one divorce
