He was instrumental in setting up a Rifle Range in Hindu College. His score in Rifle shooting was amongst the best. He was very popular even with the students he did not teach due to his various extra-curricular activities.

He was an ardent lover of plants and set up the Botanic Gardens in Hindu College.

The college used to win nearly all the trophies in the DU flower show when he was the garden in-charge. Several pine trees are testimonials of his promise forever in the DU. He imported several acorns from the USA and planted the White Oak Tree, a tree native to the American in Vaishali. As per a Red Indian custom this tree spreads happiness and joy around it. White oak is the official state Tree of Illinois after selection by a vote of school children. The white oak is also the state tree of Connecticut and Maryland.

His student Prof B.P. Saxena, an ardent cactiophile with the largest cacti collection in the world is a living example of his love for plants that he imparted to all his students. He never allowed even his children to pluck flowers as he said flowers are meant only for prayers to God. Acaucarias and Junipers thrived under his hand as he cared for them.

He also did research on the plant Amanita muscaria with Professor G. S. Patwardi as his guide. It was used as an

intoxicant and emethogen by the peoples of Siberia and has a religious significance in these cultures. The *Soma* of the ancient Rig Veda texts of India is considered to be the same plant.

His students are prominent doctors, engineers, army officers, teachers and lecturers. Some of his students attained the highest echelons in the medical profession and they had no hesitation in making him sit in their chair whenever he visited them. His son saw it with his own eyes. Some of the prominent doctors are
