The Low-Pressure Guide to Parenting Your Preschooler Tim Sanford, Timothy L. Sanford, 2016. The Low Pressure Guide to Parenting Your Preschooler is brilliantly written to liberate parents from the expectations of having to be super parents. It relieves the pressure to follow long lists of rules to be perfect and to be enslaved by the idea that if you don't do this, your kids will turn out terribly. This book shows parents that it's really not their job to make sure their child turns out right. Instead, the author encourages parents to learn the much simpler and more rewarding role God has for them. This book assists parents in recognizing the difference between controlling and influencing actions when it comes to raising preschoolers. Provides a four-quadrant grid that visually clarifies what parents can and can't control and what they are and aren't responsible for when it comes to interacting with their child. Distills the mountain of parenting advice and material down to four overarching principles that are clear and doable. The Low Pressure Guide to Parenting Your Preschooler makes the job of parenting simpler and reduces the stress parents feel when it comes to parenting.
