

"I've always had a desire to tour the country," Bessie added.

Blue and Belle agreed. "Then that's just what we'll do," said Babe.

How many members agreed for the vacation? Name them.

Their first stop was the Great Lakes. The family stopped off at each of the six lakes to splash around. When they got to the last lake, they were very thirsty. They drank and drank and drank. Soon the lake was empty. That's why today there are only five Great Lakes.

The next stop was New York City. The tall buildings were just the right height for Blue to lean against.

"Stop that!" scolded Belle. "You'll scare the people." However, no one noticed. City people were in too much of a hurry to worry about big blue oxen.

The hefty oxen made many holes as they walked. Soon the ground was in poor condition. The mayor decided to use the holes to dig tunnels and run trains underground. That's how the subway system was born.

Next, the family went to Florida. Blue and Belle played in the waves. Their rough play turned the waves around. The waves got bigger as they went out to sea.

A hurricane was on the way. The big waves made it go back in the other direction. The children had saved the day!

"Let's go to Texas," said Babe. "Maybe we can help fix their water shortage." He hooked one of his horns onto a big rain cloud. Then he dragged it along with him. When it burst open, everyone in Texas enjoyed a nice cool shower.
