

I woke up thinking that today would be a normal day. I woke up feeling tired and asking my mom why I had to go to school. I finally got dressed and my mom stopped me off at school. As soon as I stepped out of the car, the head started to hurt. I thought it was a small headache and I would soon get over it. I walked up to my classroom and put my stuff down next to my desk.

I looked at the clock and it was 8:00 am. My teacher soon gave the morning announcements and was about to dismiss us to 1st period, but then BOOM! The TV screen fell off the wall. Everyone started to scream and panic. I was just there sitting at my desk and ^{not even saying one} ^{but no one} ~~was~~ I had my hands wrapped around my head trying to stop the headache.

My classmates and I soon started to walk to our first class. I walked about 5 feet then suddenly fell to the floor. Luckily my twin brother caught me. I told her thank you. ~~more~~ continued on with my day. Eight hours later, school had finished. I was about to open the door and leave, but then suddenly the doors closed. I panicked and tried to get out, but the doors would not budge. With all my strength, I kicked open the door.

I got outside and found my mom in her car. I got in and told her to take me home. She didn't move and so I asked her ~~again~~ ^{again}. She didn't move, but then suddenly she jumped out at me. She suddenly pushed me against the door and I fell out of the car. I started to bleed and scream. Someone started to come ~~running~~ ^{and then she asked if I was okay} ^{walk over to me}.
