Pieces of Eight Charles R. Ewen, Russell K. Skowronek, 2016-01-16 There is little to distinguish the pirate from the average sailor in the archaeological record Virtually every pirate related site yet excavated would not be identified as such without the accompanying historical record The contributors to this volume combine both material culture and archival research to confirm the exploits of pirates and the ships they sailed Expanding on the widely successful X Marks the Spot Pieces of Eight explores the newest findings in the maritime archaeology of piracy The contributors examine the latest discoveries at Captain Henry Morgan's encampments and recount William Kidd's epic capture of the Quedagh Merchant in the Indian Ocean Other chapters include explorations of Blackbeard's Queen Anne's Revenge Bartholomew Black Bart Robert's Ranger and even Hollywood's portrayal of pirates Pieces of Eight is a thrilling and

eye opening view of pirate life as well as the final underwater resting places of their ships Minutes to Midnight, 2nd Edition Paul Dukes,2020-10-30 The book examines the evolution of the predicament symbolised by the setting of the Doomsday Clock at a few minutes to midnight in the context of the Anthropocene Era from 1763 making special reference to the study of history throughout the period It seeks to demonstrate the necessity for history as science pointing out the inadequacy of some previous approaches It argues for a pandisciplinary approach to today s crisis *Teaching Climate Change in the Humanities* Stephen Siperstein,Shane Hall,Stephanie LeMenager,2016-10-04 Climate change is an enormous and increasingly urgent issue This important book highlights how humanities disciplines can mobilize the creative and critical power of students teachers and communities to confront climate change The book is divided into four clear sections to help readers integrate climate change into the classes and topics they are already teaching as well as engage with interdisciplinary methods and techniques Teaching Climate Change in the Humanities constitutes a map and toolkit for anyone who wishes to draw upon the strengths of literary and cultural studies to teach valuable lessons that engage with climate change A Parametric Approach to Persian Syntax A. Soheili,2024-10-03 Persian syntax has been analyzed within various theoretical models to explore language specific rules that generate various syntactic structures such as passive relative clause interrogative etc This book offers a comprehensive updated delineation of Persian syntax with reference to the P P approach which posits that the language faculty incorporates a set of principles of Universal Grammar UG that are invariant across languages and their associated parameters that vary from one language to another In addition to the theoretical dimension of the approach the book also examines the significant implications of the approach in the realms of first language acquisition second language learning translation and language typology **Resources in Education**,2001-10 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1964 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December **Art-Based Research in the Context of a Global Pandemic** Usva Seregina,Astrid Van den Bossche,2022-09-30 Living through the Covid 19 global pandemic has changed the way that we experience our lives the way that we relate to one another and the way that we engage with the world Focusing contextually on the initial lockdowns of the pandemic in 2020 this book proposes that art based research has a central illuminative role to play in our understanding of unfolding crises The changes brought on by the global event may not be readily accessible or expressible through traditional academic research Art based research offers the opportunity to explore document and reflect on the emerging and often ineffable qualities of transformed lives by drawing on emotional bodily and interactive aspects of experience Such an approach allows for meaning making that makes room for reflexive interpersonal and dialogical engagement The contributions aim to capture and explore lived experiences of the pandemic as well as begin a discussion about how meaning making is changing through and beyond the pandemic This book further explores how the nature and practice of art based research in itself has been challenged and transformed The book
