Double Blessing Mark Batterson,2020-08-04 God doesn t bless us to raise our standard of living God blesses us to raise our standard of giving and that s where true joy is found The New York Times bestselling author of Chase the Lion challenges us not to settle for half of what God offers when it comes to blessings we are BLESSED to BLESS His discovery started with a simple experiment Whenever Batterson received a blessing he would give a similar blessing away If someone paid him a compliment or gave him a gift or went out of their way to help him he would return the favor by doing something similar for someone else We flip the blessing by blessing others in the way God has blessed us That s how the blessing becomes a double blessing It turns giving into a game one we can t win because God will always outgive us It s an ancient truth found within the Abrahamic covenant I will bless you and you will be a blessing In other words we are blessed to bless The first blessing is receiving but it doesn t end there The second blessing is giving it away That s the double blessing And that s where double joy is found In a day and age where the idea of blessing has been reduced to a hashtag blessed Batterson challenges readers to pursue true God glorifying blessing and experience an exponential impact by participating in the double blessing Don t settle for half of what God offers Discover how you can both get it and give it in Double Blessing This edition includes discussion questions

Version 2 2017 Book 2 of the series presents new and enlightening discoveries from 30 years of research into Bible prophecy This new look at Bible prophecy presents strong evidence that the coming beast and false prophet of the book of Revelation are based solidly in Islam and Muhammad When the head of the beast has a fatal wound it represents the death of the Ottoman Turkish Empire in World War 1 Which means this is the head that will come back to life again to wage jihad upon the world The second beast of Revelation is Islam the two horns representing the two factions Sunni and Shiite Islam has encoded in its teachings murder lying plunder slavery rape warfare and even terrorism as part of its official religious doctrine Jesus said that the thief comes only to steal kill and destroy and this is exactly what Islam has done from its beginning No other religion so completely fits the description in the Bible of the beast and false prophet than Islam Islam is different from all the other religions that do not believe in Jesus because Islam officially declares that Jesus is not the Son of God Quran 4:171 18:4-5 which is the Biblical definition of Antichrist Who is the liar but he who denies that Jesus is the Christ This is the Antichrist he who denies the Father and the Son 1 John 2:22 Islam ruled the second largest empire in history that stretched from the Atlantic Ocean to the borders of China Millions of Christians have already suffered and died under Islam's armies of conquest and Christians are still dying today in Egypt Iraq Syria Nigeria Sudan and many other places The spread of Islam has left a trail of blood suffering and destruction like no other ideology in world history This book includes a history of Islam's war on Christianity No one could invent a more evil cult For hundreds of years the Muslims of North Africa

captured European ships and then American ships and enslaved the passengers and crews They even raided coastal towns and dragged people out of churches and into slavery where they were beaten and abused in order to pressure them to convert to Islam This book shows how and why the beast of Revelation is based in Islam It also includes Daniel 11 The details presented is like no other book For example The verses of the Quran are called miraculous signs and Rev 13 says that the false prophet deceives people with miraculous signs NIV Fortner s interpretation of Revelation is truly eye opening The mark of the beast is also presented with new and enlightening information Even the image of the beast has a surprising new interpretation But the beast s empire will not rule the entire planet The author proved that there will never be a one world government many times over in Book One This is Book Two in the Bible Prophecy Revealed series You will get the most out of this book if you have read the first one titled Discoveries in Bible Prophecy but it is not required There are other books out that correlate what Islam teaches with the expected Antichrist but they do not have the details found in this book The author actually proves that some of the details in the other books are wrong For example he proves that the new theory on the mark of the beast taught by Walid Shoebat and Joel Richardson is totally wrong Chapter 1 The Beast of Empire 2 A Brief History of Islam 3 The Scarlet Beast 4 The Two Horned Beast 5 The Mark Name Number of the Beast 6 Historical Views 7 The Antichrist 8 The Muslim Brotherhood s Plan 9 A Summary of the Great Tribulation 10 Final Words *Strange Fire / Confessions of a False Prophet* Fred L.
