practical resource is the ideal tool for planning literacy instruction based on the National Reading Panel's recommendations for vocabulary development. Unique in its thematic approach to developing students' vocabulary, this book provides word lists, literature selections, and teaching strategies for building young learners' vocabulary and comprehension skills. Based on original research conducted by Susan E. Israel and Edward B. Fry, the lists are comprised of words used frequently by children in their writing as well as additional words to enhance learning. Each thematic chapter offers literacy integrations for reading and writing in the classroom, writing prompts to integrate with journal activities, read aloud suggestions from children's literature, think alouds to enhance vocabulary, and Vocabulary Lists and Activities for the PreK-2 Classroom. Not only does it fill a gap in the field of reading and writing instruction, but it also provides a wealth of activities and vocabulary words organized around topics appropriate for primary students.
