shocking celebrity driven story by lining up the facts and labeling rumors USA Today Aaron Hernandez was a college All American who became the youngest player in the NFL and later reached the Super Bowl His every move as a tight end with the New England Patriots played out the headlines yet he led a secret life one that ended in a maximum security prison What drove him to go so wrong so fast Between the summers of 2012 and 2013 not long after Hernandez made his first Pro Bowl he was linked to a series of violent incidents culminating in the death of Odin Lloyd a semi pro football player who dated the sister of Hernandez s fianc e Shayanna Jenkins All American Murder is the first book to investigate Aaron Hernandez s first degree murder conviction and the mystery of his own shocking and untimely death **Cross Fire** James Patterson,2010 The 17th novel in the bestselling Alex Cross series A sniper has Washington s corrupt elite in their sights Detective Alex Cross could be next Alex Cross is planning his wedding to Brianna Stone when the killings begin Two of the capital s most hated corrupt politicians slain by a sniper s bullets and there are more to come Public opinion is divided is the marksman a murderer or a hero As the media frenzy intensifies Cross battles over jurisdiction with an FBI rival and soon receives a call from the Mastermind his deadliest adversary Cross s worst fears are coming true the Mastermind is in D C and this time he won t stop until Cross and his family are dead *You Can't Stop Murder* Stephen Tabeling,2020-09-30 **Serial Killers and Sadistic Murderers** Jack Levin,2009-09-18 After twenty five years of investigating analyzing and interviewing serial killers their family members neighbors and even surviving victims Jack Levin has become one of the world s most respected experts on the motivations and modus operandi of dangerous criminals In this gripping book he taps his wealth of experience with the criminal mind to offer lessons for law enforcement and the general public about how serial killers think as well as the conditions under which hideous murders typically occur These lessons he hopes will lead to more effective ways to thwart such crimes in the future Levin s face to face meetings and correspondence with such notorious murderers as the Hillside strangler Kenneth Bianchi and Orville Lynn Majors the male nurse who was convicted of killing numerous patients in his charge reveal that these types of killers are not motivated by money revenge or rage In fact the only motivation seems to be a sadistic craving for power and a need to feel in control Levin also for the first time lets down his guard and reveals what it feels like to be seated so close to such cold blooded killers Many killers as Levin points out are meticulous planners Levin has found that even in situations that appear spontaneous for instance a workplace shooting by a disgruntled employee the deed is carefully thought out and prepared for in advance Another factor that consistently emerges in conversations with killers who have committed the most heinous of acts is the total absence of remorse or any notion of moral responsibility Murder appears to be easy for these criminals and they kill with a feeling of complete impunity Levin also notes the skillfully deceptive facades that such murderers are able to affect They are extremely adept liars he admits to having been fooled who enjoy playing mind games even though outwardly they seem above suspicion This is one reason they are so dangerous and difficult for investigators to track down and prosecute This chilling glimpse into the minds of some of the worst criminals

makes a valuable contribution to criminology and is a must read for both true crime buffs and law enforcement professionals

The Family Lawyer James Patterson, 2017-10-16 Night sniper Cheryl Mabern is the NYPD's most brilliant detective and the most damaged. Now she must confront her darkest fears to stop a calculating killer committing random murders. Publisher's description *The Briley Brothers: the True Story of the Slaying Brothers* Dwayne Walker, Jack Rosewood, 2015-10-16 Richmond Virginia. On the morning of October 19, 1979, parolee James Briley stood before a judge and vowed to quit the criminal life. That same day, James met with brothers Linwood Anthony and 16-year-old neighbor Duncan Meekins. What they planned and carried out would make them American serial killer legends and reveal to police investigators a 7-month rampage of rape, robbery, and murder exceeding in brutality already documented cases of psychopaths, sociopaths, and sex criminals. As reported in this book, the Briley gang were responsible for the killing of 11 people among these a 5-year-old boy and his pregnant mother but possibly as many as 20. Unlike most criminals, however, the Briley gang's break-ins and robberies were purely incidental mere excuses for rape and vicious thrill kills. When authorities, aided by plea bargaining, Duncan Meekins discovered the whole truth, even their tough skins crawled. Nothing in Virginian history approached the depravities, many of which were committed within miles of the Briley home where single father James Sr. padlocked himself into his bedroom every night. But this true crime story did not end with the arrests and murder convictions of the Briley gang. Linwood, younger brother James, and 6 other Mecklenburg death row inmates hatched an incredible plan of trickery and manipulation and escaped from the state-of-the-art facility on May 31, 1984. The biggest death row break-out in American history. *Murder, Interrupted* James Patterson, 2018-01-02 Two true crime cases from the hit TV series *Murder is Forever*. MURDER INTERRUPTED. Rich, cheating financier Frank Howard wants his wife dead, and he's willing to pay Billie Earl Johnson whatever it takes. But when the bullet misses the mark, Billie Earl and Frank will turn on each other in a fight for their lives. MOTHER OF ALL MURDERS. Dee Dee Blanchard is a local celebrity. Television reports praise her as a single mother who tirelessly cares for her wheelchair-bound, chronically ill daughter. But when Gypsy Rose realises she isn't actually sick and Dee Dee has lied all these years, the daughter exacts her revenge. *The Biggest Death-Row Break-Out In American History* Randall Meddock, 2021-05-25 Serial killers same author shows from two battered theses: 1. In the fault of their mother. 2. Maniacs look like ordinary people. Richmond Virginia. On the morning of October 19, 1979, parolee James Briley stood before a judge and vowed to quit the criminal life. That same day, James met with brothers Linwood Anthony and 16-year-old neighbor Duncan Meekins.
