## **Foodies Democracy And Distinction In The Gourmet Foodscape Cultural Spaces:**

Foodies Josee Johnston, Shyon Baumann, 2009-12-04 This important new cultural analysis tells two stories about food The first depicts good food as democratic Foodies frequent hole in the wall ethnic eateries appreciate the pie found in working class truck stops and reject the snobbery of fancy French restaurants with formal table service The second story describes how food operates as a source of status and distinction for economic and cultural elites indirectly maintaining and reproducing social inequality While the first storyline insists that anybody can be a foodie the second asks foodies to look in the mirror and think about their relative social and economic privilege By simultaneously considering both of these stories and studying how they operate in tension a delicious sociology of food becomes available perfect for teaching a broad range of cultural sociology courses

**Taste of the Nation** Camille Bégin, 2016-06-15 During the Depression the Federal Writers Project FWP dispatched scribes to sample the fare at group eating events like church dinners political barbecues and clambakes Its America Eats project sought nothing less than to sample and report upon the tremendous range of foods eaten across the United States Camille Bégin shapes a cultural and sensory history of New Deal era eating from the FWP archives From ravioli the diminutive derbies of pastries the crowns stuffed with a well seasoned paste to barbeque seasoning that integrated salt black pepper dried red chili powder garlic oregano cumin seed and cayenne pepper while tomatoes green chili peppers onions and olive oil made up the sauce Bégin describes in mouth watering detail how Americans tasted their food They did so in ways that varied and varied widely depending on race ethnicity class and region Bégin explores how likes and dislikes cravings and disgust operated within local sensory economies that she culls from the FWP's vivid descriptions visual cues culinary expectations recipes and accounts of restaurant meals She illustrates how nostalgia prescriptive gender ideals and racial stereotypes shaped how the FWP was able to frame regional food cultures as American

**Talking about Food** Sofia Rüdiger, Susanne Mühleisen, 2020-06-15 All humans eat and all humans speak activities which in social life often but not always co occur We talk while eating and drinking with others but food is also a prominent literal and metaphorical discursive topic which contributes to establishing communities and identities This omnipresence of eating and drinking in our daily lives has led to a public fascination with foodways The contributions in this edited collection investigate the connection between language and food from a variety of perspectives As food discourses operate on local global and mediated levels they are intertwined with notions of identity and culture and thus shed light on intimate understandings of ourselves as human beings Talking about Food The Social and the Global in Eating Communities provides up to date and thought provoking contributions to the linguistics of food The book is essential reading for anyone interested in food related subjects

**The Cultural Politics of Anti-Elitism** Moritz Ege, Johannes Springer, 2023-03-16 This book examines the highly ambivalent implications and effects of anti elitism It draws on this theme as a cross cutting entry point to provide transdisciplinary analysis of current conjunctures and their contradictions drawing on examples from popular culture and

media politics fashion labour and spatial arrangements Using the toolboxes of media and discourse analysis hegemony theory ethnography critical social psychology and cultural studies more broadly the book surveys and theorizes the forms the implications and the ambiguities and limits of anti elitist formations in different parts of the world Anti elitist sentiments colour the contemporary political conjuncture as much as they shape pop cultural and media trends Populists right wing authoritarian ones and others direct their anger at cultural political and sometimes economic elites while supporting other elites and creating new ones At the same time elitist knowledge and expertise decision making power and taste regimes are being questioned in societal transformations that are discussed much more positively under headlines such as participation or democratization The book brings together a group of international interdisciplinary case studies in order to better understand the ways in which the battle cry against the elites shapes current conjunctures and possible future politics focusing on themes such as nationalist political discourse in India Austria the UK and Hungary labour struggles and anti oligarchy rhetoric in Russia tax avoiding elites and fiscal imaginaries working class agency Melania Trump as a celebrity narrative in Slovenia aesthetic codes of the Alt Right football hooliganism in Germany hipster hate in German political discourse or the politics of expertise and anti elite iconography in high fashion internationally The book is intended for undergraduates postgraduates and postdoctoral researchers The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
