The Review of Reviews William Thomas Stead, 1925 *The Giver Quartet* Lois Lowry, 2014 Collects the four *Giver* novels about life in a futuristic society. Lois Lowry Nicholas Faulkner, Susanna Daniel, 2015-12-15 Satisfying part of the Common Core English Language Arts Standard in writing, this book looks into the life of one of the most revered children's authors today, Lois Lowry. This book brings readers into her captivating world. They learn about the Newbery Medal winner's upbringing and how she writes. They also see how she comes up with her plots that so often address human connections and relationships, which are so important not only to her writing but to her life. This thoughtful biography may inspire readers and writers to become authors themselves. **The ALAN Review**, 2002 **New England Poultry Review**, 1927 *Adolescents in the Search for Meaning* Mary L. Warner, 2006-03-03 As is painfully evident from the reports of school shootings, gang violence, dysfunctional family life, and from statistics on adolescent suicide, many teens live troubled lives. Even those who live a normal life still face the challenges adults face, but teens are also engaged in establishing independence and finding their identity. However, few adolescents have the same resources as adults for surviving life challenges. Building from the idea that story is a powerful source of meaning, particularly those stories that resonate with our own lives, this book suggests that the stories of other young adults offer a resource yet to be fully tapped. *Adolescents in the Search for Meaning* begins from the perspective of young adults by sharing the results of a survey of over 1400 teens and also includes the insights of authors of Young Adult Literature. The book presents over 120 novels that teens have identified as meaningful, as well as books recommended by YA authors and experts in the field of YA literature. For any teacher, librarian, parent, or counselor wanting to reach young adults, this book is ideal. Book Review Index, 2003 Vols. 8-10 of the 1965-1984 master cumulation constitute a title index.
