A History of India's North-East Cinema Parthajit Baruah, 2024-12-12 A History of India's North East Cinema Deconstructing the Stereotypes the first book on the history of cinema in this region depicts the journey from the first Assamese film Joymoti 1935 to the present time This book addresses the peripheral status and identity crisis of North Eastern people in mainland India a region that comprises eight states and examines the role of Bollywood in the construction and misrepresentation of this region in popular Hindi cinema The book is divided into three parts Part I looks at how the people of the North East are constructed as foreigners or outsiders by mainland Indians due to their physical facial features Part II discusses the socio political and cultural shifts in the region of Assam the issue of Assamese identity which led to the Assam Movement and the upsurge of the insurgent group United Liberation Front of Assam ULFA It provides a nuanced discussion on the background and foreground of the first and second Assamese films Joymoti 1935 and Indramalati 1939 Part III traces the journey of cinema in the seven other North Eastern states Manipur Meghalaya Arunachal Pradesh Nagaland Mizoram Tripura and Sikkim narrating the regions socio political phenomena and the unique cultural discourses For instance one of the chapters examines the turbulent period beginning with the Armed Forces Special Powers Act AFSPA and its impact on the growth of cinema in the region The book contains a rare collection of film posters newspaper advertisements photographs letters and other documents representing both the public and private domain of film making **The Northeast Question** Pradip Phanjoubam, 2015-12-14 This book explores the idea psychology and political geography of Northeast India as forged by two interrelated but autonomous meta narratives First the politics of conflict inherent in and therefore predetermined by physical geography and second the larger geopolitics that was unfolding during the colonial

period Unravelling the history behind the turmoil engulfing Northeast India the study contends that certain geographies most pertinently fertile river valleys and surrounding mountains which feed the rivers are integral to nature and any effort to disrupt this cohesion will result in conflict It comprehensively traces the geopolitics of the region since colonial era in particular the Great Game the politics that went into the making of the McMahon Line the Radcliffe Line and the Pemberton Line the region's relations with its international neighbours China Bhutan Myanmar Bangladesh and Nepal as well as the issue of many formerly non state bearing populations awakening to the reality of the modern state Lucid and analytical this book will be of great interest to scholars and researchers of Northeast India modern Indian history international relations defence and strategic studies and political science

The Land Question in India Anthony P. D'Costa, Achin Chakraborty, 2017-04-06 This volume takes a fresh look at the land question in India Instead of re engaging in the rich transition debate in which the transformation of agriculture is seen as a necessary historical step to usher in dynamic capitalist or socialist development this collection critically examines the centrality of land in contemporary development discourse in India Consequently the focus is on the role of the state in pushing a process of dispossession of peasants through direct expropriation for developmental purposes such as acquisition of land by local states for infrastructure development and to support accumulation strategies of private business through industrialization Land in India is sought for non agricultural purposes such as purchasing land to reduce risk and real estate development Land is also central to tribal communities adivasis whose livelihoods depend on it and on a moral economy that is independent of any price driven markets Adivasis tend to hold on to such property not as individual owners for profit but for collective security and to protect a way of life Thus land notwithstanding its role in the accumulation process has been and continues to be a turbulent arena in which classes castes and communities are in conflict with each other with the state and with capital jockeying to determine the terms and conditions of land transactions or their prevention through both market and non market mechanisms The volume goes beyond the traditional political economy of the agrarian transition question and deals with inter alia distributional conflicts arising from acquisition of land by the state for capital accumulation on the one hand and its commodification on the other It provides new analytical insights into the land acquisition processes their legal institutional and ethical implications and the multifaceted regional diversity of acquisition experiences in India

Governing India's Northeast Samir Kumar Das, 2013-06-04 This book focuses on issues of governance and the nature and complexities of social transformation in India's Northeast a problem zone for policymakers particularly since the early 1990s While governance is the thread that runs through the volume the latter at one level addresses the challenges of governing in global times a region historically marked by acute violence interethnic conflict and insurgency and at another traces macro changes in the very forms and technologies of governance The essays in this volume point to how changing forms and technologies of governing insurgency development and culture do not remain mere instruments of peace but define the very nature and content of both peace and conflict and

their interrelationship in the region For the first time in the history of scholarship on the region the three crucial issues of insurgency development and culture have been analysed through the lens of governance This volume therefore marks an important addition to the scholarship on the region
