Multilingual Education Yearbook 2021 Anthony A. Essien,Audrey Msimanga,2021-05-04 This edited book attempts to foreground how challenges and complexities between policy and practice intertwine in the teaching and learning of the STEM subjects in multilingual settings and how they policy and practice impact on educational processes developments and outcomes The unique feature of this book thus lies in its combination of not just language issues in the teaching and learning of the STEM subjects but also in how these issues relate to policy and practice in multilingual contexts and how STEM

research and practice may inform and shape language policies and their implementation in multilingual contexts This book is of interest to stakeholders involved in STEM education such as researchers undergraduate and graduate students tertiary level teachers teacher educators curriculum developers as well as other professionals with responsibilities in STEM education subjects The book is written in a way that is accessible to a wide range of backgrounds including those who are in language education The Cambridge Handbook of Instructional Feedback Anastasiya A. Lipnevich,Jeffrey K. Smith,2018-11-15 This book brings together leading scholars from around the world to provide their most influential thinking on instructional feedback The chapters range from academic in depth reviews of the research on instructional feedback to a case study on how feedback altered the life course of one author Furthermore it features critical subject areas including mathematics science music and even animal training and focuses on working at various developmental levels of learners The affective non cognitive aspects of feedback are also targeted such as how learners react emotionally to receiving feedback The exploration of the theoretical underpinnings of how feedback changes the course of instruction leads to practical advice on how to give such feedback effectively in a variety of diverse contexts Anyone interested in researching instructional feedback or providing it in their class or course will discover why when and where instructional feedback is effective and how best to provide it
