**Bashing Back** Wayne Besen R, 2013-01-11 The Best of Besen Bashing Back Wayne Besen on GLBT People Politics Culture is a compilation of 72 columns from the outspoken GLBT activist and author of Anything But Straight Unmasking the Scandals and Lies Behind the Ex Gay Myth Funny provocative and informative this unique book puts a progressive spin on hot button topics in the political cultural and social arenas covering everything from AIDS and African Americans to Zach Stark Bashing Back presents an A to Z look at Besen's worldview on a wide range of topics including Bill O Reilly Brokeback Mountain Ellen DeGeneres gay pride parades marriage rights Mary Cheney overhauling the gay movement religion and politics sports and homophobia The Passion of the Christ the pitiful state of TV news the Vatican's war on gays the World Trade Center and New Orleans Smart and funny Besen delivers a knockout punch to the notion that liberalism stands for nothing and progressive means passive From the author The columns I have chosen for this book touch on politics and people comedy and culture But most of all they are a strong defense of the liberal values that have made this nation strong It is time we proudly stand up for what we believe in If we don't defend our values our opponents will define them Bashing Back is the first punch in a fight to take back our culture and restore progressive values for the good of the nation An excerpt from Bill O Reilly Once upon a time I actually enjoyed The O Reilly Factor While I almost always disagreed with him he was at least entertaining Lately however he has morphed into just another Bush mouthpiece The master of the No Spin Zone is suddenly spinning so hard he is in the Twilight Zone dizzy in his own deception He even had the audacity on CNBC to suggest that Fox isn't a conservative news outlet That's beyond spin If it were closer to Hanukah I'd think O Reilly was a dreidel My other problem with his show is that it's unnaturally obsessed with gay issues More gay people appear on The O Reilly Factor than on Showtime's Queer as Folk I know that sounds strange coming from a gay columnist who has twice appeared on his show But it seems like he's had on every gay person in America to use as his personal political piñata When even gay activists are tired of watching gay segments it's time to find a new culture war issue Bashing Back is an invaluable compilation of Besen's best columns from Planet Out Gay.com and the Washington Blade It's an essential resource for longtime Besen readers and an entertaining introduction for newcomers

**The Kingdom of God Has No Borders** Melani McAlister, 2018-07-02 Award of Merit 2019 Christianity Today Book Awards History Biography More than forty years ago conservative Christianity emerged as a major force in American political life Since then the movement has been analyzed and over analyzed declared

triumphant and more than once given up for dead But because outside observers have maintained a near relentless focus on domestic politics the most transformative development over the last several decades the explosive growth of Christianity in the global south has gone unrecognized by the wider public even as it has transformed evangelical life both in the US and abroad The Kingdom of God Has No Borders offers a daring new perspective on conservative Christianity by shifting the lens to focus on the world outside US borders Melani McAlister offers a sweeping narrative of the last fifty years of evangelical history weaving a fascinating tale that upends much of what we know or think we know about American evangelicals She takes us to the Congo in the 1960s where Christians were enmeshed in a complicated interplay of missionary zeal Cold War politics racial hierarchy and anti colonial struggle She shows us how evangelical efforts to convert non Christians have placed them in direct conflict with Islam at flash points across the globe And she examines how Christian leaders have fought to stem the tide of HIV AIDS in Africa while at the same time supporting harsh repression of LGBTQ communities Through these and other stories McAlister focuses on the many ways in which looking at evangelicals abroad complicates conventional ideas about evangelicalism We can't truly understand how conservative Christians see themselves and their place in the world unless we look beyond our shores     Honesty Over Silence Patrick Regan,2024-04-18 The Bible is way more honest than most churches about the actual levels of pain and confusion in life That's why we need this book It's going to provoke ten thousand honest conversations helping to bring healing hope and understanding to many who currently suffer in silence Pete Greig Founder of 24/7 Prayer and leader of Emmaus Rd Church Guildford IT'S OK NOT TO BE OK Honesty Over Silence seeks to open up conversations around topics that many find difficult such as trusting God when life is painful dealing with anxiety and depression learning to look after ourselves developing our character and living with thankful hearts even in tough seasons It examines our strength in letting go of our need to be in control as well as looking at how we can stop comparing ourselves to others and instead live authentically and honestly as we grow into the people God has created us to be The power of this book is in its piercing honesty and vulnerability It gives a voice to those issues that we as Christians sometimes want silenced what happens when darkness falls Where is God in mental illness Can I ever be enough Through Patrick's stories of his own life and those of others he powerfully reminds us that a life of faith is smattered with but not shattered by dark places This is an amazing book which will bless encourage and comfort many Tim and Rachel Hughes Lead Pastors at Gas Street Church Birmingham     GO...MAKE...RIPPLES Jennifer Godwin,2022-05-23 What does a meal prayer bumper sticker a baptism in a kitchen sink and a bold question have in common These are some of the ways people Rippled Jesus into Jennifer's life that led her into a personal relationship with Him Read how Jennifer grew into the Christian woman she is today through trials errors and perseverance While you read her story you will learn SIMPLE ways to share Jesus and how to help others grow spiritually This book will help you to reflect on the question What kind of ripples can I make for the Kingdom of God     *Rick Warren and the Purpose that Drives Him* Richard Abanes,2005 In a book that includes an exclusive

interview with Rick Warren Abanes a bestselling author and former staff member at Warren s church takes a balanced and positive look at issues that have been raised about the purpose driven concepts      **Unmanageable Care** Jessica M. Mulligan,2014-08-08 In *Unmanageable Care* anthropologist Jessica M Mulligan goes to work at an HMO and records what it s really like to manage care Set at a health insurance company dubbed Acme this book chronicles how the privatization of the health care system in Puerto Rico transformed the experience of accessing and providing care on the island Through interviews and participant observation the book explores the everyday contexts in which market reforms were enacted It follows privatization into the compliance department of a managed care organization through the visits of federal auditors to a health plan and into the homes of health plan members who recount their experiences navigating the new managed care system In the 1990s and early 2000s policymakers in Puerto Rico sold off most of the island s public health facilities and enrolled the poor elderly and disabled into for profit managed care plans These reforms were supposed to promote efficiency cost effectiveness and high quality care Despite the optimistic promises of market based reforms the system became more expensive not more efficient patients rarely behaved as the expected health maximizing information processing consumers and care became more chaotic and difficult to access Citizens continued to look to the state to provide health services for the poor disabled and elderly This book argues that pro market reforms failed to deliver on many of their promises The health care system in Puerto Rico was dramatically transformed just not according to plan      **Insurgent Collective Action and Civil War in El Salvador** Elisabeth Jean Wood,2003-08-04 Widespread support among rural people for the leftist insurgency during the civil war in El Salvador challenges conventional interpretations of collective action Those who supplied tortillas information and other aid to guerillas took mortal risks and yet stood to gain no more than those who did not Wood s explanation is based on oral histories gathered from peasants who supported the insurgency and those who did not over a period of many years and interviews with military commanders of both sides      Contemporary Indigenous Movements in Latin America Erick D. Langer,2003-03-01 The efforts of Indians in Latin America have gained momentum and garnered increasing attention in the last decade as they claim rights to their land and demand full participation in the political process This issue is of rising importance as ecological concerns and autochthonous movements gain a foothold in Latin America transforming the political landscape into one in which multiethnic democracies hold sway In some cases these movements have led to violent outbursts that severely affected some nations such as the 1992 and 1994 Indian uprisings in Ecuador In most cases however grassroots efforts have realized success without bloodshed An Aymara Indian head of an indigenous rights political party became Vice President of Bolivia Brazilian lands are being set aside for indigenous groups not as traditional reservations where the government attempts to civilize the hunters and gatherers but where the government serves only to keep loggers gold miners and other interlopers out of tribal lands *Contemporary Indigenous Movements in Latin America* is a collection of essays compiled by Professor Erick D Langer that brings together for the first time

contributions on indigenous movements throughout Latin America from all regions Focusing on the 1990s Professor Langer illustrates the range and increasing significance of the Indian movements in Latin America The volume addresses the ways in which Indians have confronted the political social and economic problems they face today and shows the diversity of the movements both in lowlands and in highlands tribal peoples and peasants The book presents an analytical overview of these movements as well as a vision of how and why they have become so important in the late twentieth century Contemporary Indigenous Movements in Latin America is important for those interested in Latin American studies including Latin American civilization Latin American anthropology contemporary issues in Latin America and ethnic studies **When you find out**

Perry, 2017-06-13 Illustrates the hidden challenges embedded within the evangelical adoption movement For over a decade prominent leaders and organizations among American Evangelicals have spent a substantial amount of time and money in an effort to address what they believe to be the Orphan Crisis of the United States Yet despite an expansive commitment of resources there is no reliable evidence that these efforts have been successful Adoptions are declining across the board and both foster parenting and foster adoptions remain steady Why have evangelical mobilization efforts been so ineffective To answer this question Samuel L Perry draws on interviews with over 220 movement leaders and grassroots families as well as national data on adoption and fostering to show that the problem goes beyond orphan care Perry argues that evangelical social engagement is fundamentally self limiting and difficult to sustain because their subcultural commitments lock them into an approach that does not work on a practical level *Growing God's Family* ultimately reveals this peculiar irony within American evangelicalism by exposing how certain aspects of the evangelical subculture may stimulate activism to address social problems even while these same subcultural characteristics undermine their own strategic effectiveness It provides the most recent analysis of dominant elements within the evangelical subculture and how that subculture shapes the engagement strategies of evangelicals as a group Echoes of Eden Eddie

Dutra,2016-06-24 The neoliberal theologians who intend to repaint Christianity say they are reacting to the errors and abuses within the church against the false promises of the Prosperity theology and the modern Pharisees who use legalism as a means of oppression and control The truth however is that they incur in the same mistakes of them Those of the Prosperity Gospel or those of the postmodern church philosophy lead the ministry according to peoples desire not according to Gods interests or the true spiritual need of people The Prosperity theology adapted to a greedy society that sees Jesus only as the multiplier of loaves and fishes and a free healer therefore it gave them what they wanted The postmodern Christians changed the speech and emphasis but reproduced the same pattern of ministry When we compare them both groups are alike they all use pragmatism as foundation for ministry thus their teachings are unbiblical their practice unethical and its results devastating to the Christian faith The new painters take advantage of the mistakes of some groups of the evangelicalism with this they find the opportunity to throw out the baby with the dirty bathwater they throw away the true Gospel along with the errors of the church Such opportunism is clearly detected in their effort to establish a stereotype to represent historic Christianity as a group of ignorant and devoid of love Fundamentalist fanatics while they pose as open minded good boy preachers and love givers with no trace of prejudice By opposing legalism these men went to the other extreme they became libertines Thus their offered antidote became worse than the poison itself The neoliberal theologians came not to bring healing to the churchs problems rather they aggravated it They are opportunists who are creating a neo Christianity under the perspectives of this new postmodern world      *Minutes of the Annual Conferences of the Methodist Episcopal Church*
