

Independent Auditor's Report

To the shareholders of Bank of China Limited

(Incorporated in the People's Republic of China with limited liability)

We have audited the consolidated financial statements of Bank of China Limited (the "Bank") and its (together, the "Group") set out on pages 124 to 312, which comprise the consolidated and the Bank's of financial position as at 31 December 2012, and the consolidated income statement, the consolidated comprehensive income, the consolidated statement of changes in equity and the consolidated statement of for the year then ended, and a summary of significant accounting policies and other explanatory information.

Directors' Responsibility for the Consolidated Financial Statements

The directors of the Bank are responsible for the preparation of consolidated financial statements that give a view in accordance with International Financial Reporting Standards and the disclosure requirements of the Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conduct our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. Tracy, 2020-01-30 The updated new edition of the comprehensive guide to reading and understanding financial reports Financial reports are used to provide a range of vital information including an organization s cash flow financial condition and profit performance aka The Big Three Financial Statements Financial statements are often complex and

extremely difficult to understand for anyone other than accounting and finance professionals

How to Read a Financial Report enables investors, lenders, business leaders, analysts, and managers to read, analyze, and interpret financial accounting reports. Designed specifically for non-specialists, this reader-friendly resource covers the fundamentals of financial reporting in jargon-free English. Topics such as sales, revenue, recognition, costs of goods sold, sources, uses of capital, cash, non-cash expenses, e.g., depreciation, expense, income tax obligations, understanding profits, financial stability, and financial statement ratios analysis are covered throughout the book. Now in its ninth edition, this bestselling guide has been thoroughly revised to reflect changes in accounting and financial reporting rules, current practices, and recent trends. New and expanded content explains managing cash flow, illustrates the deceitful misrepresentation of profits in some financial reports (aka Financial Engineering), and more. Further end-of-chapter activities help readers learn the intricacies of the balance sheet and cash flow statement, while updated sections address shifts in regulatory standards. Written by two highly experienced experts in financial accounting, this resource enables readers to cut through the noise and focus on what financial reports and financial statements are really saying about a company. Clarifies commonly misunderstood aspects of financial reporting and how companies can financially engineer operating results. Offers comprehensive step-by-step guidance on analyzing financial reports. Provides numerous examples and explanations of various types of financial reports and analysis tools.

Audit and Assurance, 2nd Edition Philomena Leung, Paul Coram, Barry Cooper, Kirsty Redgen, Dominic Canestrari-Soh, 2024-02-12

Written for the local market, the second edition of *Audit and Assurance* features a concise and contemporary presentation of auditing. This new edition has a major focus on both technology and applied learning, using lots of examples to ensure students will be able to do more than rote auditing and instead understand why processes are the way they are so that they can be more flexible. The new edition welcomes two new industry experts to the author team: Dominic Canestrari-Soh, who is a Senior Manager at Ernst Young, and Kirsty Meredith, who is an academic at USC with 7 years industry experience as a Chartered Accountant specialising in audit and taxation. The text has been updated with new content on data analytics, technology insights, and interviews with auditing practitioners, as well as Excel screencasts and primers.
