Match Sounds.

Game: Identify two sounds that are the same.

Use old film containers, or small plastic bottles, that have been washed out. Fill two of each container with the same level of rice, beans, stones, etc.. Hot-glue the lids to secure them. Ask the child to tell you why he thinks they match! Listen to the child's reasoning.

Notes: If you use a clear bottle cover it with paper. Big box stores still get film containers!

Sound Identification

Play a sound game! Create a sound behind a board/divider. Ask the children to identify the sound. Suggestions: clap your hands, tear a piece of paper, cut paper with scissors, sharpen a pencil, snap your fingers, knock on wood, staple paper, click a camera, ring a bell, pop a balloon, bounce a ball.

Warning: I banged two blocks together one year, and much to my dismay, the children modelled creating that sound during activity time... for the next month!
