[Facebook Me! A Guide to Socializing, Sharing, and Promoting on Facebook](#) Dave Awl,2010-12-16 With more than 500 million active users around the world and still growing steadily Facebook is more than just another social media site In the words of author Dave Awl Facebook is the new town square the place where people gather to discuss the news of the day as well as share what s going on in their lives And Facebook can actually be a useful business tool as well as a great way to promote creative projects So what s new in the second edition of Facebook Me Facebook has changed dramatically since the book was first published and this newly revised and expanded edition will bring readers up to speed on all the new features and interface elements that have been added and revamped in the time since It addresses the ongoing controversies about Facebook s privacy policies

with detailed coverage of Facebook's privacy settings and advice for keeping your Facebook experience as secure as possible as well as expanded info on Facebook's sharing tools and how to control who sees what It includes a brand new chapter called Advertising and Promoting on Facebook that shows you how to apply the principles of social media marketing specifically to Facebook's user culture in order to maximize the ripple effect of Facebook's news feed to win new fans and customers and build stronger bonds with existing ones Plus there's an expanded chapter on Facebook at Work how to keep your profile professional avoid getting in trouble and use Facebook for job hunting And in the etiquette department this edition features new guidance on how to deal with conflict and avoid flame wars between Facebook friends All in all Facebook Me takes you on a guided tour of everything Facebook has to offer and shows you how to get the most out of the time you spend there while helping you avoid some of its pitfalls Find out what you can do on Facebook and what it can do for you Reconnect with old friends and make new ones let your friends know what you're up to and share photos or video all while protecting your privacy Learn Facebook etiquette how and why to friend someone how to socialize politely whether you should friend your boss and how to keep your profile looking professional if you do Publicize your projects business or causes Post to your Wall set up a Page organize a Group or invite friends to Events Discover how to use Facebook's News Feed to connect with an audience that reaches far beyond the boundaries of your own friends list Look for the Facebook Me page on Facebook to connect with the author and other readers of this book

*The Complete Idiot's Guide to Social Media Marketing, 2nd Edition* Jennifer Abernethy, 2012-04-03 The Complete Idiot's Guide to Social Media Marketing Second Edition covers cutting edge techniques for small and large businesses alike Ask the Author Q How has social media marketing changed business and personal lives A The playing field has been leveled for business No longer do you need a 6 or 7 figure budget to reach people around the country or globe for that matter Personally many lives have been affected Many people more connected businesses have grown because of the connections TV and singing careers have been launched money has been raised for charity books have been marketed and purchased and so on Q What has been the most challenging part of utilizing social media A I think the learning curve With all of these sites they come with no directions and no LIVE phone number Q What has worked the best and worst thus far A Facebook because of its broad reach really has worked for me but many would argue that YouTube works the best particularly since it is the search engine of choice with the 11-34 age group Q How can a person searching for a job use social media marketing A So many ways They need to be on LinkedIn with a professional looking profile photo and contact information They could also utilize video to begin sharing their expertise Candidates need to stand out in a crowd of millions so if they say sent in a video introducing themselves and a video follow up email that would wow them Q What is the newest thing since Twitter A I believe companies and individuals are starting to utilize audio for creating their own iTunes channel and also location based social media like FourSquare I personally am not sold on location based services as of yet from a safety point of view but for retailers it can be a good thing I believe video is

going to explode in popularity in 2011 for the 35 market as well They just need to get comfortable being on camera
