## About the Training

### Training Schedule

If there is more than one day of training and especially if there will be more than one facilitator, outline the full training agenda here to show where this training fits in to the full curriculum.

|         | Day 1      | Day 2      | Day 3      | Day 4      | Day 5      |
|---------|------------|------------|------------|------------|------------|

### The Goal

Explain what will happen as a result of this training. What skills, knowledge, or behaviors should facilitators be aiming to influence. This will act as a compass for the training. Think "if the training gets derailed, it will be okay as long as participants leave with\_"

### Participants

Understanding your audience is key to leading a successful training. Explain who the participants are. In the case of new hire training, you could say something like:

This training is intended to be delivered to new hires, regardless of their position, on their first day.

### Delivery

What's the best way to deliver this training? Does it take place in a classroom? Online? Is there a blended learning approach? Outline this here to help the facilitator prepare appropriately.
