Supporting Reading in Grades 6-12 Sybil M. Farwell, Nancy L. Teger, 2012-06-11 This book presents a curricular framework for students grades 6 12 that school librarians and teachers can use collaboratively to enhance reading skill development promote literature appreciation and motivate young people to incorporate reading into their lives beyond the required schoolwork Supporting Reading Grades 6 12 A Guide addresses head on the disturbing trend of declining leisure reading among students and demonstrates how school librarians can contribute to the development of lifelong reading habits as well as improve students motivation and test scores The book provides a comprehensive framework for achieving this the READS curriculum which stands for Read as a personal activity Explore characteristics history and awards of creative works Analyze structure and aesthetic features of creative works Develop a literary based product and Score reading progress Each

of these five components is explained thoroughly describing how school librarians can encourage students to read as individuals in groups and as school communities support classroom teachers instruction and connect students to today's constantly evolving technologies. Used in combination with an inquiry information skills model the READS curriculum enables school librarians to deliver a dynamic balanced library program that addresses AASL's Standards for the 21st Century Learner.

Leading the Common Core Initiative Carl A. Harvey II, Linda L. Mills, 2014-11-25 Defining both the Common Core Standards and the school librarian's role in their implementation this book offers ready to use lesson plans and other tools for grades K-5 and identifies opportunities for collaborative teaching. As elementary schools in nearly all 50 states are faced with meeting the Common Core State Standards (CCSS) school librarians need to understand the challenges and have lesson plans ready to help. This resource introduces the CCSS in English and mathematics to K-5 librarians and aides helping them to understand the concepts analyzing the impact on the school library and providing lesson plans resources and other tools for implementation in integrated instruction with other curricula and collaborative teaching with other elementary teachers. Based upon the authors' own experiences in adopting the CCSS in their school the included exemplar lesson plans and ideas are designed to support school librarians as they begin to collaborate with teachers in using the Common Core Standards in their daily classroom instruction. The book also discusses the opportunities for advocacy that result from the librarian's instrumental role in implementing the CCSS both as a staff developer and a collaborative partner teacher.
