Book: Why We Get Stuck in Life and How You Can Move Forward Dr. John C. Panepinto, 2024-06-01 Getting stuck in life happens Whether you have a vision for your future or feel aimless everyone gets stuck sometimes And it can happen more

than once Living authentically presents problems and sometimes we create them without knowing If you don't know why you can't let go or move ahead you'll stay stuck You'll remain on the not so merry go round of stuckness waiting for answers To move forward you have to ask the right questions Not Another Self Help Book is truly not another self help book Written as a conversation you wish you had or didn't realize you needed to have you'll engage in topics everyone needs to explore and make sense of Talks we'd have if we would slow down the busyness of life Getting stuck and staying stuck has become a way of life for an increasing number of individuals and families The rising numbers of anxiety depression and hopelessness shine a light on this problem We treat the symptoms but fail to address the core issues How much longer can we carry on this way A common mindset lurks beneath these problems a pervasive and powerful belief system influencing every aspect of our lives Like fish in water we move and breathe in this mindset without knowing spaces exist above the surface If you follow the scripts of this mindset you end up chasing what you think is important only to find it isn't the thing once you get there The chase begins again Each chapter of Not Another Self Help Book guides you through this cultural mindset to the core of growth and development and a different way of being in the world The concepts and tools help you to ask the right questions Questions that open the doors and lead through confusion and uncertainty When you ask the right questions you will discover the answers you've been waiting for From the inside out you develop a mindset that works for you and not against you You create a vision of your future from the heart of what matters most to you and those who matter most Not Another Self Help Book provides the substance and direction to get unstuck and confidently move forward The foundation you build holds even if you get stuck again on your journey Whenever you need to you can rely on these life affirming ideas and get back on track And you may not ever need another self help book
