away in nooks and crannies making Michael E Cohen's comprehensive book an essential resource for newbies and experts alike. Whether you prefer to dive into the details or get quick help with a particular feature, this book has got you covered. **Note:** This edition of the book focuses primarily on the Mac and iPad versions of Pages, although it does cover the iPhone and web versions of the app to a limited extent. In this thoroughly revised fourth edition, Michael expands his already extensive guide, detailing all the changes Apple has made to Pages since the last version of the book was released, including support for macOS 14 Sonoma and iPadOS 17. Among many other new and updated features, learn about using Mail Merge, adding and working with 3D images, and collaborating with other users on a document. You'll also learn how to find features that have been moved or renamed. With Michael's help, you can navigate Pages like a pro. You'll also learn how to find all the tools you need, whether on a Mac or an iPad. Do everyday word processing, including working with fonts, tabs, indents, rulers, search, and replace; spell checking; and more. Format longer, more complex documents with customized headers, footers, page numbers, tables of content, footnotes, and section breaks. Manage styles, including paragraph styles, character styles, list styles, and object styles. Create your own templates, complete with layout objects. Master the many multi-touch gestures in iPadOS that give you pinpoint control over page elements. Include complex tables and charts and make them look exactly the way you want. Customize layout and manipulate graphics like a pro. Collaborate with others in real time using iCloud. Share your documents across devices using Mac, iPad, iPhone, or almost any web browser.
