- Analyze claim diagnosis denials and take steps to reduce through auditing and training
- Assess adherence to new policies
- Monitor and measure coding and billing productivity
- Adjust processes, implement training review sessions and other improvements, as necessary, to ensure ongoing progress

Protect Your Revenue — Prepare for the Change Now

The Centers for Medicare & Medicaid Services has stated there are no plans to extend the 2013 deadline. Practices that wait much longer will find themselves scrambling to make changes in ways that could be very costly — both in terms of resources and lost revenues. Practices that take action now to ensure readiness will reap the rewards of better protection of revenue, more predictable implementation costs, favorable reimbursements, and greater accuracy and efficiency.
