Books: Cooking, Physic and Chirurgery in the Works of Elizabeth Talbot Grey and Aletheia Talbot Howard Elizabeth Spiller,2016-12-05 Recipe books are a key part of food history they register the ideals and practices of domestic work physical health and sustenance and they are at the heart of material culture as it was experienced by early modern Englishwomen In a world in which daily sustenance and physical health were primarily women s responsibilities women were central to these texts that record what was both a traditional art and new science The texts reprinted in these two volumes allow readers to reconstruct the history of recipes both medical and culinary from the mid sixteenth to mid seventeenth century and situate that history within the larger scientific and intellectual practices of the period *Tasting the Past: Recipes from the Middle Ages to the Civil War* Jacqui Wood,2019-11-12 The many influences of the past on our diet make the concept of British food very hard to define The Celts Romans Saxons Vikings and Normans each brought ingredients to the table and the country was introduced to all manner of spices following the Crusades The Georgians enjoyed a new level of excess and then of course the world wars forced us into the challenge of making meals from very little The history of cooking in Britain is as tumultuous as the times its people have lived through Tasting the Past Recipes from the Middle Ages to the Civil War documents the rich history of our food its fads and its fashions combined with a practical cookbook of over 120 recipes from the early Middle Ages up to the Civil War Jacqui Wood guides us through the recipes brought ashore by the Normans the opportunities brought by the food harvested in the New World during the Renaissance and the decadent meals of the Royalist gentry outlawed by the puritanical Parliamentarians **Seventeenth-Century English Recipe Books: Cooking, Physic and Chirurgery in the Works of W.M. and Queen Henrietta Maria, and of Mary Tillinghast** Elizabeth Spiller,2017-05-15 Recipe books are a key part of food history they register the ideals and practices of domestic work physical health and sustenance and they are at the heart of material culture as it was experienced by early modern

Englishwomen In a world in which daily sustenance and physical health were primarily women's responsibilities women were central to these texts that record what was both a traditional art and new science The texts reprinted in these two volumes allow readers to reconstruct the history of recipes both medical and culinary from the mid sixteenth to mid seventeenth century and situate that history within the larger scientific and intellectual practices of the period

Daily Life in Elizabethan England Jeffrey L. Forgeng, 2009-11-19 This book offers an experiential perspective on the lives of Elizabethans how they worked ate and played with hands on examples that include authentic music recipes and games of the period Daily Life in Elizabethan England Second Edition offers a fresh look at Elizabethan life from the perspective of the people who actually lived it With an abundance of updates based on the most current research this second edition provides an engaging and sometimes surprising picture of what it was like to live during this distant time Readers will learn for example that Elizabethans were diligent recyclers composting kitchen waste and collecting old rags for papermaking They will discover that Elizabethans averaged less than 2 inches shorter than their modern British counterparts and in a surprising echo of our own age that many Elizabethan city dwellers relied on carryout meals albeit because they lacked kitchen facilities What further sets the book apart is its hands on approach to the past with the inclusion of actual music games recipes and clothing patterns based on primary sources

400!, 1984 *Renaissance Food from Rabelais to Shakespeare* Dr Joan Fitzpatrick, 2013-04-28 Providing a unique perspective on a fascinating aspect of early modern culture this volume focuses on the role of food and diet as represented in the works of a range of European authors including Shakespeare from the late medieval period to the mid seventeenth century The volume is divided into several sections the first of which is Eating in Early Modern Europe contributors consider cultural formations and cultural contexts for early modern attitudes to food and diet moving from the more general consideration of European and English manners to the particular consideration of historical attitudes toward specific foodstuffs The second section is Early Modern Cookbooks and Recipes which takes readers into the kitchen and considers the development of the cultural artifact we now recognize as the cookbook how early modern recipes might work today and whether cookery books specifically aimed at women might have shaped domestic creativity Part Three Food and Feeding in Early Modern Literature offers analysis of the engagement with food and feeding in key literary European and English texts from the early sixteenth to the early seventeenth century Francois Rabelais's Quart livre Shakespeare's plays and seventeenth century dramatic prologues The essays included in this collection are international and interdisciplinary in their approach they incorporate the perspectives of historians cultural commentators and literary critics who are leaders in the field of food and diet in early modern culture
