North American Emergency Response Guidebook ,1996 **Bratislava** Lucy Mallows,2009 One of the great Baroque cities of central Europe Bratislava is situated on Europe s most important river the Danube Visitors can explore the car free centre on foot soaking up the buzz of pavement caf s and bars Also included is expanded coverage of day trips outside Bratislava including the Small Carpathian Wine Route a region full of wine cellars and internationally recognised winemakers *Being at Large* Santiago Zabala,2020-04-16 Politicians and philosophers presenting themselves as the ultimate bearers of truth and reality have created unprecedented technological cultural and political framings This new order conspires to undermine the interpretive practices of open ended critique normalizing a sense of threat to preserve control

The greatest emergency has become the absence of emergencies Tracing an intellectual alliance between academics such as Jordan Peterson and Christina Hoff Sommers and right wing populist politicians such as Donald Trump and Marine Le Pen this book denounces framings that make a claim to objectivity With the help of contemporary thinkers including Bruno Latour Judith Butler and Giorgio Agamben as well as discussion of the Cambridge Analytica whistleblower Christopher Wylie and the emergency of biodiversity loss due to climate change Santiago Zabala illustrates that the twenty first century question is not whether we can be free but how to be at large unconstrained by the new realist order Being at Large demonstrates the anarchic power of hermeneutics calling for interpretive disruptions of the authoritarian narrative as a way of reclaiming freedom in the age of alternative facts
