Essentials of Contemporary Management Gareth Jones, Jennifer George, 2012-01-17 Jones George *Essentials of Contemporary Management* is the concise edition of the market bestselling textbook by the same author team Jones and George are dedicated to the challenge of Making It Real for students The authors present management in a way that makes its relevance obvious even to students who might lack exposure to a real life management context This is accomplished thru a diverse set of examples and the unique and most popular feature of the text the Manager as a Person Chapter 2 This chapter discusses managers as real people with their own personalities strengths weaknesses opportunities and problems and this theme is carried thru the remaining chapters This text also discusses the importance of management competencies the specific set of skills abilities and experiences that gives one manager the ability to perform at a higher level than another in a specific context The themes of diversity ethics globalization and information technology are integrated throughout

The Essentials of Contemporary Marketing Mo Willan, 2021-08-05 An essential guide to contemporary marketing that demonstrates via case studies the move towards marketing techniques that better reflect consumer needs As the effectiveness of traditional marketing techniques continues to diminish contemporary marketing increasingly becomes the most reliable method of expanding outreach and reflecting the needs of the modern consumer When implemented these contemporary strategies offer the greatest support for their client base with a product range that adapts to the desires of the target market The channels used to underpin these strategies are also radically different from traditional methods placing emphasis upon platforms such as social media Designed for both undergraduate and postgraduate students as well as those in executive education and general business *The Essentials of Contemporary Marketing* covers a wide range of themes including Consumer behaviour The latest marketing research Services marketing Brand management Global marketing and Ethics in marketing Each chapter includes case studies to illustrate and contextualise the topics covered featuring companies as diverse as Amazon McLaren Unilever UBS and Virgin Money In alignment with its subject matter *The Essentials of Contemporary Marketing* prioritises practicality over theory based content providing a comprehensive and contextualised insight into how marketing is developing in the 21st century

Loose-Leaf Essentials of Contemporary Management Gareth Jones, Jennifer George, 2010-06-02 Jones George *Essentials of Contemporary Management* is the concise edition of the market

bestselling textbook by the same author team Jones and George are dedicated to the challenge of Making It Real for students. The authors present management in a way that makes its relevance obvious even to students who might lack exposure to a real life management context. This is accomplished thru a diverse set of examples and the unique and most popular feature of the text the Manager as a Person Chapter 2. This chapter discusses managers as real people with their own personalities strengths weaknesses opportunities and problems and this theme is carried thru the remaining chapters. This text also discusses the importance of management competencies the specific set of skills abilities and experiences that gives one manager the ability to perform at a higher level than another in a specific context. The themes of diversity ethics globalization and information technology are integrated throughout.

Contemporary Sport Management Paul M. Pedersen, Lucie Thibault, 2018-05-03 Contemporary Sport Management Fifth Edition With Web Study Guide provides students with an overview of sport management by presenting extensive discussions of the foundational aspects of the profession and current topics from the field. The fifth edition continues to engage students with a full color format and an integrated web study guide. The text also discusses the role of social media in revolutionizing the industry and the significance of sport as an international institution. Students will learn the relevance of legal sociocultural historical political and psychological concepts to the management of sport the professional skills and attitudes of successful sport managers and ways in which the globalization of sport continues to affect sport management professions. One of the top selling textbooks in the field the fifth edition retains many of its popular learning tools for students and also offers several key additions. Social media sidebars in every chapter prepare future sport managers to confront some of the unique challenges and opportunities of this growing phenomenon. Professional profiles containing a biography Q A and associated web study guide activity allow students to gain realistic views into the roles of sport managers. Enhanced ancillaries include a new image bank and chapter quizzes compatible with learning management systems to further support classroom instruction and testing. A student web study guide now contains more than 171 fully integrated activities to provide opportunities for real world application. A retrospective from cofounding editor Janet Parks illustrating how the outstanding roster of contributors has been a hallmark of this title from the beginning. The text also contains a variety of updated learning tools including international sidebars with associated activities a timeline ethics and critical thinking sections a running glossary chapter objectives end of chapter reviews and references to help students stay engaged with the material and understand key concepts and terms. In addition the web study guide WSG contains multiple interactive learning experiences that assist students in retaining the information. Each chapter of the text includes several cross references to the WSG allowing students to take advantage of the following features. Professional profile activities encourage students to test their expectations of the challenges that sport industry professionals face on a daily basis. Job announcement activities demonstrate the skills that prospective employers seek in particular sport settings. Web searches point students to the vast amount of information available online. Portfolio activities

help students reflect on questions related to the critical thinking and ethics sections of each chapter Upon completion of the activities students will have constructed a portfolio of their reflections on issues they might face as future sport management professionals Learning in Action activities help students understand and apply the concepts covered in each chapter With 20 chapters written by 44 expert contributors Contemporary Sport Management Fifth Edition begins with an overview of the field and historical aspects of the industry Next the attributes of effective and professional sport managers and the relevance of managerial and leadership concepts applied to sport management are discussed In part II students learn about the major settings in which sport management professionals work today including professional and amateur sport management sites sport management agencies and sport tourism venues Part III offers information on key functional areas of sport management such as marketing communication finance and economics and facility and event management In part IV readers examine current challenges in the profession such as issues related to consumer behavior law sociology globalization and the importance of continuing sport management research The updated and enhanced fifth edition of Contemporary Sport Management offers a varied and dynamic learning package to assist readers in understanding the many opportunities and challenges in the sport management field From historical foundations and future directions to current issues and professional skill sets this popular textbook continues to inform and inspire up and coming professionals to have a positive influence on the management of sport
