

The background of the image is a scenic landscape featuring a range of mountains. The sky is filled with soft, glowing clouds in shades of orange, yellow, and pink, suggesting a sunset or sunrise. The mountains in the foreground are dark and silhouetted against the bright sky, while the mountains in the distance are hazy and appear in lighter tones of orange and pink. The overall mood is peaceful and majestic.

I give them eternal life, and they shall never perish;
no one will snatch them out of my hand. My Father,
who has given them to me, is greater than all;
no one can snatch them out of my Father's hand.

I and the Father are one.

Interpreting 4 Ezra and 2 Baruch Gabriele Boccaccini, Jason M. Zurawski, 2014-04-24 In this volume Gabriele Boccaccini and Jason M Zurawski collect together essays from leading international scholars on the books of 4 Ezra and 2 Baruch The literature of the Second Temple Period has become increasingly studied in recent years as scholars have begun to recognize the importance of these texts for a developed understanding of Rabbinic and Christian origins Through close readings of the texts themselves examining the books in comparison with other Jewish apocalyptic literature and early Christian materials and reading the texts in light of their social and historical settings the fifteen papers collected herein significantly advance the current scholarly conversation on these defining Jewish apocalypses written at the end of the first century CE and they shed light on the everlasting legacy of apocalyptic ideas in both Christianity and Judaism Prevenient Grace J. Alexander Rutherford, 2020-09-20 If a plant grows with shallow roots the storms of a season will wither away and uproot it like a house built on sand a poor foundation will doom its fate But this isn t a book on botany nor on architecture foundations good roots are essential to thought structures as well as material structures In theology a bad foundation will produce results as catastrophic as bad roots or shifting sand How we think about God and His work in the world will profoundly affect how we live and work out our Christian faith This book evolved from the conviction that a prominent theological system rests on a fragile foundation It is written as a small contribution towards refounding our understanding of God s relationship with the world and our salvation on His Word The theology in question is Arminianism the foundation is prevenient grace Deep within Evangelical Arminianism lies the essential doctrine that God has acted in the life of all human beings giving them enabling grace enough to respond or reject His offer of salvation The contention of this book is that this doctrine has no biblical grounds and is rationally unfounded and that Arminianism itself stands or falls on this doctrine
