Dina Porat,2022-11-22 The true story of a vigilante group of Holocaust survivors who conspired to kill six million Germans
Nakam Hebrew for vengeance tells the story of the Avengers Nokmim a group of young Holocaust survivors led by poet and
resistance fighter Abba Kovner who undertook a mission of revenge against Germany following the crimes of the Holocaust
Motivated by both the atrocities they had endured and the realization that murderous antisemitic attacks on survivors
continued long after the Nazi surrender these fifty young men and women sought retaliation at a level commensurate with
the devastation caused by the Holocaust making clear to the world that Jewish blood would no longer be shed with impunity
Had they been successful they would have poisoned city water supplies and loaves of bread distributed to German POWs with
the aim of killing six million Germans Kovner and his followers went to great lengths to carry out their plans going so far as
to obtain the schematics for Nuremberg s municipal water system secure large quantities of poison infiltrate a POW camp
and the bakery that supplied it and distribute poisoned bread to prisoners but their plots were ultimately stymied Most of the
members of Nakam eventually returned to Israel where for decades many of them refused to speak publicly about their roles
in the group While the Avengers story began to come to light in the 1980s details of the relations between the group and
Zionist leadership and the motivations of its members have remained unknown Drawing on rich archival sources and in depth
interviews with the Avengers in their later years historian Dina Porat examines the formation of the group and the clash
between the formative humanistic values held by its members and their unrealized plans for violent retribution **Oxford**
