Fractured Souls Shattered Promises English Edition:

Enchanted Chaos Jessica Sorensen ,2019-07-15 Skylin has always lived a fairly normal life Well except for the fact that whenever her emotions run high strange things occur like fires starting out of nowhere or the ground freezing over But the worst part is that a kiss from her will knock a person unconscious Still her life hasn't been too terrible until the day her parents vanish into thin air and she's shipped off to live with her father's friend and his six sons Skylin isn't sure if she can survive the chaos that is the Everettson family But she doesn't have a choice unless her parents are found so she tries to make the best of the situation and befriend the Everetts even though not all of them are fans of her especially Foster a guy she once had a crush on until he opened his mouth But it turns out that the Everetts aren't your typical family and Skylin soon realizes she's not the only person in the world with strange abilities And in order to survive the dangerous magical world she's thrown into full of magic and powerful gods and goddesses she'll have to put her trust in not only the Everetts but Foster as well This is a full length coming of age romantasy fated mates romance novel and Sky and Foster's story will wrap up in book 2 *Shimmering Chaos* which is now available *Fractured Souls* Jessica Sorensen,2013-09-02 Gemma thought she had said her good byes and had felt every possible emotion she could before her soul was detached again When she wakes up she discovers she can still feel and remember everything she experienced over the last few months Alex assures her everything is okay but she still isn't sure she can trust him To help her understand her past Gemma searches for her mother The further she digs into her mother's secrets and past the more she wonders what waits for her at the end of her search and if maybe some things are better left in the dark *Wreck Me* Jessica Sorensen,2015-04-15 I'd heard stories of near death experiences although the tales never seemed to be the same Me I saw many things My son Myself My sins The stars And I also felt The feeling wasn't about me but about another as if someone was calling out to me begging me to come back That they needed my help Then the stars burned out And I thought I had died But I was wrong When Avery Hensley met Conner Wellings she thought she'd found the guy she was going to spend the rest of her life with She got married young and had the most beautiful son in the world Life seemed perfect But not everything is what it seems Turned out Conner had another side to him a darker side that Avery didn't see coming He wrecked and broke her into a thousand pieces leaving Avery to put herself back together From then on Avery vows never to let a man into her life again But then she meets Tristan Morganson He's sweet and sexy and wrecks Avery in a different way than Conner did the kind of way that makes her feel alive again the kind of way that makes her think maybe not all guys are bad But can Avery trust him enough to let her walls come crumbling down *The Rules of Being Friends* Jessica Sorensen , My new life in Honeyton is becoming complicated It all starts when I hear my uncle talking about some sketchy stuff that may have to do with me I also think there might be more to Hunter and his friends than they're letting on like maybe we've met before Not that everything is terrible Hunter and his friends are nice to me and they've brought me into their group For the first time I think I might finally have

some friends But a lot of mystery still surrounds me And I m still being blackmailed by someone I need to figure out the truth about my past and fast

The Simplicity in Ordinary Jessica Sorensen , Ashlynn For the last month my life has been pretty perfect I have great friends and the best boyfriend ever But that changes when Queeny gives me an invite to her Halloween party which is as weird as it sounds And things only get stranger when The Heartbreaker Society contacts me requesting that I attend Queeny s party in exchange for something I want And that s just one of my problems on an ever growing list Maxon Things with Ash are amazing and while I occasionally am haunted by my past life is pretty decent That is until my dad shows up out of nowhere and all the painful memories of what happened come rushing back to me I don t know why he s back but I need to find out Just like I need to find a way to handle dealing with my emotions before I end up crumbling

Breathing Undead Lies Jessica Sorensen , Late one night I died on Hallows Hill And then I came back from the dead I m not sure how it happened All I know is that I m not the same person as I was before I died I ve started seeing things that shouldn t be real and I feel this strange pull toward Kingsley a guy I used to think was dangerous but now I m not so sure he is And I m pretty sure the people closest to me are lying about something I m also pretty sure my death wasn t an accident I need to figure out what happened to me before I end up dead Again

The Opposite of Ordinary Jessica Sorensen , In one day I went from being Ashlynn Wynterland one of the most popular girls in school to being the girl who spends lunchtime hiding out in a classroom and watching Maxon Harter and his science obsessed friends mess around with experiments All because Queeny Harlington thinks I made out with her crush Queeny Harlington is the queen of Fareland High And up until a day ago she was my best friend Now she s my worst enemy who s threatening to tell the entire school all of my dirty little secrets Being a friendless social outcast has its downsides So when Maxon invites me to hang out with him and his friends I accept his offer even though they all seem to despise me Which is fine Sort of The truth is I ve always thought Maxon is cute in a weirdly unordinary way And the more I get to know Maxon the more I find myself liking him But when Queeny decides to tell everyone my darkest secret of all my new friendship doesn t look as if it s going to survive As my heart breaks I make a choice that ends up shattering my world In that dark moment I discover that Fareland is a town with secrets and that nothing is what it appears to be A dark secret society romance that follows Ashlynn and Maxon from high school to adulthood

Diary of Lexi Ashford Jessica Sorensen , Lexi has always had a reputation for accidentally messing things up but she never thought she d be jobless and homeless at twenty six With no other choice she returns to her hometown to do a little life searching Lexi quickly discovers a lot has changed in the eight years since she first left Fairville a quirky little town in the middle of nowhere Most of her best friends from high school are now married and have children and her parents have sold their home and are now living in a loft above their store One thing still remains the same though Anders her old high school crush is still as hot as ever Determined to get her life back on track Lexi starts searching for an apartment and a job But during a crazy night at one of her friend s bachelorette parties she wakes up in Las Vegas hungover

and married to Evan Anders brother a guy she barely knows So much for getting her life back on track *Longing for More*
