## **LYRIC SHEET**

Welcome to my first verse  
This is how it goes  
I don't label it "first verse"  
Cause everybody knows

Your prechorus – if you have one  
Will be a separaste section  
With a space before and after  
If you follow my direction

This is my **LYRIC SHEET**  
The chorus is indented  
This is my **LYRIC SHEET** -- for my song  
This is my **LYRIC SHEET**  
See how it's presented  
I'm gonna have a hit -- before too long

Here we go with verse two  
It's typed and error free  
I don't label it "second verse"  
'Cause what else could it be

You can type "repeat pre-chorus"  
If it's the same as your first one  
Or you can type it out again  
If that's your idea of fun

### **REPEAT CHORUS**

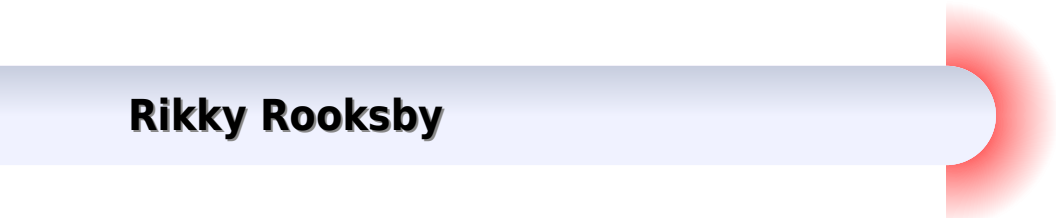

If a bridge is included  
You don't need to indent it  
But you can if you want to  
If that makes you contented

### **REPEAT CHORUS**
