Newby,2013-10-10 It is a privilege to share through the ministry of writing this remarkable life with others The life of Tom
Tipton begins as a child in segregated Washington DC travels through the powerful music world of jazz gospel music and the
old hymns reaches into politics and the struggles and hopes of desegregation explores worldwide evangelism and is still
being lived out in 2013 in the Twin Cities of Minnesota It would be a mistake to suppose that Tom Tiptons biography is just
one more in the array of books that represent the cult of personal exposure His is different in kind His message is one of
encouragement to the thousands of people who are now discouraged His story belongs in one sense to the literature of
witness but in a far deeper sense it belongs to the literature of hope It is my hope that those who read these words will have
their own lives enriched in the same way that Tom Tipton has enriched so many lives through his ministry of music He is an
