Persian Dutch Spanish Catalan Armenian Italian English Hungarian German Rumanian and Basque **The Medieval Changeling** Rose A. Sawyer, 2023 The first comprehensive study of medieval changelings and associated attitudes to the health and care of children in the period The changeling a monstrous creature swapped for a human child by malevolent powers is an enduring image in the popular imagination dubbing a child a changeling is traditionally understood as a way to justify the often violent rejection of a disabled or ailing infant Belief in the reality of changelings is famously attested in Stephen of Bourbon's disapproving thirteenth century account of rites at the shrine of Saint Guinefort the Holy Greyhound where sick children were brought to be cured However the focus on the St Guinefort rituals has meant some scholarly neglect of the wealth of other sources of knowledge including mystery plays and medical texts and the nuances with which the changeling motif was used in this period This interdisciplinary study considers the idea of the changeling as a cultural construct through an examination of a broad range of medical miracle and imaginative texts as well as the lives of three more conventional Saints Stephen Bartholomew and Lawrence who in their infancy were said to have been replaced by a demonic changeling The author highlights how people from all walks of life were invested in both creating and experiencing the images texts and artefacts depicting these changelings and examines societal tensions regarding infants and children their health their care and their position within the familial unit Lu Xun and World Literature Xiaolu Ma, Carlos Rojas, 2025-01-07 In Lu Xun and World Literature Xiaolu Ma Carlos Rojas and other contributors examine various aspects of Lu Xun who is known as the father of modern Chinese literature Essays in this book focus on Lu Xun's works in relation to the notions of world literature and processes of literary worlding The contributors offer detailed analyses of Lu Xun's own literary oeuvre and of foreign works that engage with his writings This volume also focuses on many facets of the publication and dissemination of Lu Xun's works from printing and binding to the discussions and debates that followed their release in China and abroad This book not only makes an important contribution to the field of Lu Xun studies but also proposes a reexamination of the category of world literature This exceptional volume sheds new and important light on the increasingly incumbent question of the relationship between the literary giant Lu Xun and world literature Rather than dwell on how the author's work fits into some pre-existing rubric the essays in this volume explore new territory in investigating how Lu Xun's work contributes to the way in which the character of world literature itself must be continually reconstructed and reimagined Theodore D Hutters University of California Los Angeles This volume examines questions surrounding the relationship between Lu Xun world literature and the underlying processes of worlding situating his work as a writer and a translator in a global context both among and interacting with prominent international works and literary movements as well as influencing writers and readers in countries well beyond China As such it is a milestone in our understanding of this challenging always witty and engaging gadfly of the state Just as Lu Xun and His Legacy edited by Leo Ou fan Lee brought together much of the best in twentieth century scholarship on Lu Xun ours is a massive dose of good fortune to have Lu Xun

and World Literature to steer us into the twenty first Jon Eugene von Kowallis University of New South Wales Sydney author of *The Lyrical Lu Xun A Study of His Classical Style Verse*
