*To create the overall numbers, components 01 and 04/05 are weighted to give marks out of 100. This year, because of the removal of component 01/02 for June 2020 only, all components in the qualification are now weighted. Therefore, all other grades (3, 4, 5 and 6) are weighted. The raw component boundary marks do not produce whole numbers and when rounded, these do not add up to the total award boundary mark.
