- I left UGA's Pure TIR program when I was uncomfortable, but thinking back, I should have stayed and made a learning experience out of it.
 - There've been numerous times where I said or did something to my dad that I regret but it's all turned out well.
 - I should have been more appreciative of my cousins when they lived next door, because now I miss them since they're gone.
 - There have been times where I should have said something when someone walked all over me instead of letting it go, because now they think it's okay.
