*All About Janet, the Murder of my Guardian Angel* Forrest Canutt, 2017-01-25 In October of 1956 my twelve year old newly adopted orphan babysitter Janet Cash and I were staying the night alone on my uncle's northern California ranch During the night we were attacked by three men two of them were US Navy sailors Janet was beaten and gang raped by the three men throughout the night and I was tortured and assaulted In the morning Janet was taken to an area called the flats and viciously murdered by the two US Navy sailors They then buried Janet in a clandestine grave on my uncle's ranch For over twenty five years I have been looking for Janet I haven't found her yet but I have found two major news organizations and three government agencies that have conspired to cover up her disappearance murder and even her very existence Throughout those years I have been stonewalled been refused any information that might lead me to her But in spite of their efforts I have gathered enough proof and information to lead me to believe that my babysitter Janet wasn't just some sweet beautiful and courageous young girl from a broken home but quite possibly an important young girl maybe a very important young girl and if the right people knew about her back then her mere existence might have changed some important people's lives and or even changed history I am determined now more than ever to find her and learn as much as I can about her You see she saved my life several times during this tragic ordeal so I owe her my life and I feel that finding her is the very least I can do to repay her and exposing the truth about what happened to her is just as important I believe that the path to the truth to this tragic mystery lies waiting in an unmarked grave in her bones in her DNA     "Knock, Knock" "Who's there?"

"It's Me, God..." Sherry Medellin, 2025-04-28 It seemed as though my search for the Lord took a lifetime of trials and tribulations without realizing that the whole time He was there right next to me From an early age I was always rejected and portrayed as an outcast in society I sincerely believed that I wouldn't amount to much in life and that my suffering would never see an end Once I understood that it didn't matter what the world said God said I was His and that He loved me when I couldn't find it within the depths of my soul to love myself How could Jesus love me when I was rejected by the world It was then that I realized He loved me just as I was which led me to be free His grace and mercy follow me all the days of my life
