But when a mystery author she's been crushing on for years agrees to have an event at her store, she starts to rethink her priorities. Lawrence is every bit as charming as she imagined, even if his understanding of his own books seems just a bit shallow. When he asks her out after his reading, she's almost elated enough to forget about the grumpy guy who sat next to her, making snide comments all evening. Apparently, the grouch is Lawrence's best friend Reid, but she can't imagine what kind of friendship that must be. They couldn't be more different. But as she starts seeing Lawrence and spending more and more time with Reid, Zora finds first impressions can be deceiving. Reid is smart and thoughtful; he's also interested. After years of avoiding dating, she suddenly has two handsome men competing for her affection. But even as she struggles to choose between them, she can't shake the feeling that they're both hiding something, a mystery she's determined to solve before she can find her HEA.
