My Ordeal With The Devil And Donnie Brown 1:

Three Testaments Brian Arthur Brown, 2012-07-30 From disagreement over an Islamic Center in New York to clashes between Christians and Muslims in Egypt tension between the three Abrahamic faiths often runs high Yet for all their differences these three traditions Judaism Islam and Christianity share much in common Three Testaments brings together for the first time the text of the Torah the New Testament and the Quran so that readers can explore for themselves the connections as well as the points of departure between the three faiths Notable religion scholars provide accessible introductions to each tradition and commentary from editor Brian Arthur Brown explores how the three faiths may draw similarities from the ancient Zoroastrian tradition This powerful book provides a much needed interfaith perspective on key Unforgettables John C. Waugh, 2025-08-05 Culled from the author's three decades of researching and sacred texts writing about the Civil War this book provides vibrant accounts of many prominent people of the era Readers interested in an introduction to a variety of Civil War personalities and American history will enjoy Library Journal Personalities Characters History John C Waugh author of the award winning The Class of 1846 presents forty of the most memorable and impactful people he has come across during his decades of writing about the Civil War or as he calls them his Unforgettables Waugh s unique pen and spritely style bring to life a mix of the famous and the infamous the little known and the unremembered He reintroduces us to Abraham Lincoln the writer Jefferson Davis the losing president and their fascinating and influential wives Mary and Varina Henry Clay John C Calhoun and Daniel Webster three for the ages are juxtaposed with Presidents Zachary Taylor Millard Fillmore Franklin Pierce and James Buchanan four chief executives who failed to avert the coming war Military personalities include U S Grant and R E Lee with a nod to their mentor the nearly forgotten Winfield Scott Waugh cast a wide net to include the seekers of equality African Americans Sojourner Truth and Lincoln's friend Frederick Douglass a half dozen women like Maria Mayo Kate Chase and Anna Dickinson who helped shape our understanding of cultural issues and media maven Horace Greeley and full time Washington critic and pest Count Adam Gurowski Poet and political activist Muriel Rukeyser once wrote The universe is made of stories not of atoms She might have added that these stories are driven by the passions of their characters and are what history is all about My hope explains the author is that these sketches and word portraits rekindle that passion and hook a few non believers on the undeniable drama that is history Catalog of Copyright Entries Library of Congress. could resist these offerings of the Montgomery Ward catalogue the one book that was read avidly year after year by millions of Americans on farms and in small towns across the nation The Montgomery Ward catalogue provides one of the few irrefutably accurate pictures of what life was really like in the gay nineties for it described and illustrated almost anything that anybody could possibly need or want in the way of store bought goods In fact in that pre department store era it was usually the only source for such goods Imagine if Montgomery Ward had issued an illustrated catalogue in the days of Louis XIV or Elizabeth I or Charlemagne what insights would we have into the daily life of the common folk the farmers and shopkeeper housewives and schoolchildren what sources of information for historians and scholars collectors and dealers what models for artists and designers In 1895 Montgomery Ward was the oldest largest and most representative mail order house in the country. The brainchild of a former traveling salesman it issued its first catalogue in 1872 a one page listing of items By 1895 the catalogue reprinted here had grown to 624 pages and listed some 25 000 items almost all of them illustrated with live drawings Montgomery Ward was by then a multi million dollar business that profoundly affected the American economy and since it reached the most isolated farms and backwoods cabins its effect on American culture was almost as great Now once again available it is our truest most unbiased record of the spirit of the 1890s An introduction on the history of the Montgomery Ward Company and its catalogue has been prepared especially for this edition by Boris Emmet Ph D Johns Hopkins a foremost expert on retail merchandising His monumental work Catalogues and Counters has long been recognized as a landmark in the study of American economic history
