Class Size Reduction Gary James

Harfitt, 2015-07-21 This book provides a timely examination of the effects of class size reduction CSR on teaching and learning processes It represents a departure in that the research covered focuses solely on the relationship between CSR and effective teaching in real secondary school classrooms The book also presents a much needed and powerful student voice on the impact of class size reduction on teaching and learning processes It conceptualises the effects of class size on teaching and learning processes in secondary school classrooms which are another under researched perspective in this field Drawing on multiple case studies concerning teaching and learning processes in large and small Hong Kong secondary school classes it highlights the qualitative differences in teaching and learning processes On the basis of those studies the book argues for a more purposeful dynamic approach to education for teachers working in small or reduced size classes
