Defiant Kelley Nikondeha, 2020-03-24 There would be no Moses no crossing of the Red Sea no story of breaking the chains of slavery if it weren t for the women in the Exodus narrative Women on both sides of the Nile exhibited a subversive strength resisting Pharaoh and leading an entire people to freedom Defiant explores how the Exodus women summoned their courage harnessed their intelligence and gathered their resources to enact justice in many small ways and overturned an empire Women find themselves in similar circumstances today The Women s March stirred the conscience of a nation and prompted women to organize with and for their neighbors it is worth reflecting on the resistance literature of Exodus and what it has to offer women Defiant is about the deep work women do to create conditions for liberation in their church community and country The women of Exodus defied Pharaoh raised Moses and plundered Egypt We are invited to consider what the midwives mothers of Moses Miriam Zipporah and her sisters demonstrate under the oppressive regime of Pharaoh and what it might unlock for us as we imagine our mandate under modern systems of injustice Kelley Nikondeha presents a fresh paradigm for women highlighting a biblical mandate to join the liberation work in our world Women s work involves more than tending to our own family and home According to Exodus it moves us beyond the domestic territory and into relationship with women across the river confronting injustice and working to liberate our neighborhoods so all mothers and children are free Nikondeha calls women to continue to be active agents in heralding liberation as we organize and march together for one another s freedom

The Middle of Things Meghan Florian, 2017-07-18 In the tradition of classic essayists from Virginia Woolf to Annie Dillard Meghan Florian combines personal narrative with careful analysis taking the ordinary material of undramatic daily life and distilling it into moments of clarity and revelation Centering each essay in this collection on a different aspect of coming of age as a feminist woman within the ethos of the theological academy and the church Florian interrogates the problems that arise when trying to inhabit these seemingly incompatible spheres illuminating aspects of work relationships and daily life as a young woman Part intellectual bildungsroman part feminist manifesto together these essays detail midpoints on one young woman s journey from the warm simplicity of a bookish adolescence with firm faith through the joys and challenges of academic study that threaten that life and stability to find not a place of
