My English Professor Wants Me:

LOL Volume 1 The Professor, 2015-05-14 Laugh Out Loud LOL Volume 1 is a book of more than 40 hilarious stories that is going to make you LMAO laugh your ass off written by The Professor Albert J. Isaacs, **The Time of My Life** Ev Nau, 2022-02-03 While driving home from a long trip Ev Nau was thinking about some events in his youth and suddenly realized that he knew very little about his own father's youth. As his trip continued he further discovered that his own grandchildren really didn't know him either. So he began his project of recording his memoirs for them. Following his retirement Ev went through every bit of documentation he could find from his mother's baby book to reports he had written at work to recapture as much of his life as possible. Old pictures were the source of many of his memory kick starts. Each tale seemed to rekindle a new story and he spent most of his time just chuckling about how clearly it all came back to him. Born during World War II and surviving so many traumatic historical events Ev shows people his life in perspective to many of these historical events and how they shaped him and his growth. From zany antics and there are many to tragic circumstances way too many his story graphically shows how this complicated man grew into a well-respected teacher, coach, and mentor for so many others. Whether chasing rabbits in a sports car on a golf course or marching endless miles in a drum and bugle corps or helping a close friend learn of his father's death Ev has a compelling story to tell. And those tales only scratch the surface. Wait until you read about his Winter Carnival experience. *Letters to an English Professor* Joely Sue Burkhart, 2022-06-27 I heard your voice and I knew I knew I had to be in your class I knew I had to be Yours. As an Accounting student Rae Jackson has never cared much for poetry but that all changes when she hears Dr. Connagher's distinctive voice quoting some dead dude in the hallway. One look at his face and she falls. Hard. Piercing blue eyes. Craggy face she could study for hours. And the forearms of a warrior. She can't sign up for his infamous class fast enough. At least he doesn't teach Calculus. But an unknown student can't hide for long in an upper graduate English class. He calls her to his office and all she can think about is that gorgeous cherry desk while his rumbling voice rolls her deeper into her fantasies. Oh yes Dr. Connagher I've been a very naughty student indeed. **Six Plays of the Israeli-Palestinian Conflict** Jamil Khoury, Michael Malek Najjar, Corey Pond, 2018-09-05 A bold and singular collection of six plays by Arab and Jewish playwrights explores the human toll of the Israeli-Palestinian conflict. The Admission by Motti Lerner. Scenes From 70 Years by Hannah Khalil. Tennis in Nablus by Ismail Khalidi. Urge for Going by Mona Mansour. The Victims by Ken Kaissar. And The Zionists by Zohar Tirosh. Polk Rather than striving to achieve balance and moral equivalency between competing narratives the plays investigate themes of identity, justice, occupation, exile, history, and homeland with honesty and integrity. The plays do not take sides or adhere to ideological orthodoxies but challenge tribalism and narrow definitions of nationalism while varying widely in thematic content, dramatic structure, and time and place. Where politicians and diplomats fail, artists and storytellers may yet succeed, not in ratifying a peace treaty between Israel and Palestine but in building the sort of social and political connectivity that enables resolution. **Tao of Composition** Stuart

American Guy Bob Bell,2023-10-01 A Regular American Guy is the story of one American guy It begins with recounting his family s eight generations of American citizenship Then his relatively normal childhood and transition into adulthood He manages to get through high school and works his way through college He was thrust into the Vietnam War in 1968 All he accomplished until then and all he would achieve later was put at risk A battle where you are almost killed can be a profound

experience Reflecting on that traumatic event convinced him of two things First war is a terrible thing and we need to find a way to stop it in the future Second thinking about that dramatic and frightening battle instilled in him a determination to make his life count regarding his fellow citizens and his family So he built an engineering and surveying firm from scratch employing hundreds of people He served in elective offices and on community boards and commissions He and Candace raised a family of five kids who were well cared for materially and emotionally and all grew up to be happy and productive adults He made his life count That fight in Vietnam was not so much a major event in his life as it was a tipping point It refocused his life plan So marriage the birth of children business success and public service were the major event just like so many American men and women
