

### Why Autumn is My Favourite Season Essay

Autumn is the only season in which you can watch the colorful leaves falling and the unique birds chirping. Living in the UAE, I have the most fun in the fall because I get to spend time with my friends and play with them outdoor sports since the weather isn't hot like in summer and spring, or isn't freezing in winter.

Foremost, I have the most fun in autumn because I get to spend time with my friends and family.

I'm not a big fan of sports, but fall can make getting tackled by a huge jock a lot more fun. In the fall, I learned that watching sports rejoices friends and families together. I wish I was watching football, but I'd rather watch the parade of thanksgiving on t. v. And that Holidays are one of the best ways for me and my friends and family to get together. Hence that during autumn there are many holidays that allow us to rejoice with one another, giving a chance to have the fun and the feeling of comfort.

Autumn is part of the crowded holiday season. Before rolling into winter and Christmas, there is the back-to-school rush, Halloween, and Thanksgiving. And these are not just regular old vacations. These are all family-centered holidays that are very involved. Autumn is the season to be grateful and surrounded by the ones you love. It is the best time to change the decorations by adding orange, red, and yellow colors and taking out the candles that are spice-scented.

The holiday season encourages you to think about what you and your family have been through in the past year and the memories you have made together while looking forward to a new and exciting year.

Last but not least, I won't have to stay in all the time because the weather is perfect unlike summer and spring when it's hot or freezing like in winter. My family and I used to wait till the sun goes down to go barbecuing or going to the park since it is scorching in summer. However, there is something different about the sensation of wind the minute you open the door to go outside that starts the feeling of autumn. From time to time, it rains during the fall, but that strengthens the mood of this season. Not only... but also I can go outside with my friends and family to go play sports in the autumn breeze. For me autumn is when it all comes together. The weather is the best of the year. The shadows lengthen. The grass green up and enjoy the cool nights and sometimes humidity. The leaves turn gorgeous colors. There's a crisp scent in
