The Reality of Research with Children and Young People

Vicky Lewis, Mary Kellett, Chris Robinson, Sandy Fraser, Sharon Ding, 2012-06-21 *The Reality of Research with Children and Young People* illustrates the process of carrying out research through thirteen research stories. Each story includes a piece of published research accompanied by a commentary from the author of the research explaining the origins of the research, how research questions were formed, factors influencing the choice of methodology and data collection techniques, problems that arose and how these were dealt with, personal reflections on the project. The research examples included in this volume have been carefully selected to demonstrate the reality of researching with children from pre-school age to late adolescence. They reflect the different traditions and variety of methods of collecting data including interview, evaluation, ethnography, experiment, survey, case study, questionnaire, longitudinal and standardised assessment. *The Reality of Research with Children and Young People* provides valuable insights into the process of research for students and professionals in a range of fields including education, health, welfare, childhood and youth studies, psychology and sociology. The book was developed to accompany The Open University Course Research with Children and Young People EK310. Contextual Safeguarding and Child Protection Carlene Firmin, 2020-05-20 This book offers a complete account of Contextual Safeguarding theory, policy and practice frameworks for the first time. It highlights the particular challenge of extra-familial routes through which young people experience significant harm such as child sexual exploitation, criminal exploitation, serious youth violence, domestic abuse in teenage relationships, bullying, gang association and radicalisation. Through analysing case reviews, observing professionals and co-creating practices with them, Firmin provides a personal, philosophical, strategic and practical account of the design, implementation and future of Contextual Safeguarding. Drawing together a wealth of practice examples, case studies, policy references and practitioner insights for the first time, this book articulates a new safeguarding framework and provides a detailed account of its translation across an entire child protection system and its relevant component parts. It will be of interest to all scholars, students and professionals working within social work, youth justice and youth work, policing and law enforcement, community safety, council services, forensic and clinical psychology, counselling, health and education.

Global Youth Protest, Climate and Education Jennifer Lauren, 2025-06-30 This text explores how to design, implement and sustain processes to meaningfully engage youth and marginalised populations in local and multilateral decision-making. Drawing on perspectives from across regions, generations and disciplines, the book balances research, advocacy and practice to provide a critical reflection on the mainstreaming of youth participation into the levers of systems change. Prompted by the breadth and scope of youth climate protest action, these narratives ignite new pathways for building trust and improving civic participation in achieving institutional change. The authors in this collection lean into the tensions and breakthroughs emerging in and from these sites of transition and potential transformation. The book is written by and for activists, students, scholars and practitioners from around the world. This multidisciplinary work is a refreshing and indispensable guide for undergraduate and graduate students interested in civic participation, youth development and livelihoods, climate action.

global development social movements and multilateral cooperation **Further up the Beach** David Monk, 2019-12-16 Sam lives at home with his loving parents sisters and brother England is at peace at last following the ravages of the Second World War and is about to witness the advent of The Beatles and the social revolution of the 1960s As a boy Sam loves riding his bike and playing in the large family garden But beneath this happy exterior there are things going round in Sam's head which terrify him which he can share with no one and which he continues to carry through his adolescent years and into manhood Spanning several decades *Further Up the Beach* is a profoundly moving story of personal identity family life and intergenerational love and conflict With powerful themes of social class aspiration and a search for emotional intimacy between males we go hand in hand with Sam in this unflinching poignant and ultimately optimistic tale *Forty Years of the Landless Workers Movement* Alex Ungprateeb Flynn, 2024-11-29 *Forty Years of the Landless Workers Movement* Landless Perspectives presents ethnographic insights into Latin America's largest social movement as it celebrates its 40th anniversary The Landless Workers Movement Movimento dos Trabalhadores Rurais Sem Terra MST with over 1.5 million members has been fighting for agrarian reform since 1984 In its 40 year struggle the movement has secured land for over 350 000 families and become a worldwide beacon for progressive politics Its enduring presence is a remarkable feat while other movements have come and gone the MST continues to be a steadfast force in the pursuit of social justice and environmental sustainability How has the MST managed to endure in a country dominated by agribusiness and characterized by hostile politics The rationale of this collection is to answer such questions from an ethnographic standpoint connecting personal stories to theorizations of land and struggle The detailed accounts of this book's contributions sit in dialogue with the longitudinal commitment of the contributors many of whom have been working with the movement over a period of decades Such a commitment allows this book to speak to a 40 year timeframe creating an approach that points to broader conclusions and possible futures With contributors from Brazil Europe and North America this book connects lived experiences with wider political questions pertaining to global mass mobilization Offering a fresh perspective on one of the world's most iconic social movements this volume celebrates the durability of the MST and speaks to the productive tensions that characterize its lived vital and daily struggle for agrarian reform The material will be of interest to scholars of anthropology sociology political science Latin American studies and beyond **Leaving Care and the Transition to Adulthood** Varda R. Mann-Feder, Martin Goyette, 2019-02-25 The transition to adulthood is a longer and more complex process than it was just a few decades ago and a growing number of youth and young adults experience significant challenges in the establishment of an autonomous and independent lifestyle when compared to previous generations Successful high school graduation followed by employment is no longer the inevitable trajectory for young people especially in the current socio-economic context where jobs are less accessible and more demanding in terms of specialized skills and higher academic qualifications Unable to rely on family for emotional and financial support vulnerable youth who grow up in

substitute care are especially effected by the lengthening of this transition to adulthood The dismal outcomes for youth growing up in care are by now well documented and more recently a range of models have been proposed to help advance our understanding of these outcomes and how to forestall them However the literature on leaving care has long suffered from the absence of theory that could guide meaningful intervention In response to this gap Leaving Care and the Transition to Adulthood offers a comprehensive overview of the newest contributions to this area in relation to theory in addition to the Theory of Emerging Adulthood while also featuring cutting edge research and best practices that support adjustment across a range of domains for this population International in scope this book focuses on bringing together major advances that span the literature on transitioning to adulthood within the care system offering a unique and important contribution to the field

Spirituality for Youth-Work Phil Daughtry,2016-09-23 This book addresses a systemic gap in existing studies on human services and youth work While the notion of spirituality does make rare appearances in such literature it is often vaguely defined and underdeveloped both as a concept and as a mode of practice This ambiguity is symptomatic of the broader shift in the sociological context of Western and global societies that has been referred to variously as post modern late modern and post secular From the perspective of the relationship between human development and the spiritual theological we live in a time between times We have not yet worked out how to speak of spirit nor how to include its meanings in positive youth intervention and developments in our language for a public spiritual consciousness remain in a state of cultural flux This book offers a coherent vocabulary and narrative from which to construct a more explicit and deliberate practice of spiritual care education and professional identity for youth workers It speaks directly to youth work practitioners managers of youth services those providing youth work education and anyone with an interest in youth and spirituality research and practice

Jerzy Grotowski's Journeys to the East Zbigniew Osinski,2023-05-31 Jerzy Grotowski s Journeys to the East is an unusual collection of facts quotations and commentaries documenting the real and metaphorical journeys of the Polish theatre director and teacher of performers into a geographical and cultural dimension which we used to and still call the Orient Grotowski s contacts and meetings with the East are placed here in the context of his biography Painstakingly researched by Grotowski s main biographer Zbigniew Osi ski this book is necessary reading for those interested in Grotowski s deep relationship with the East and in the inspiration he drew from its various cultures The book will appeal to all readers who feel a need to have a glimpse of the East from the perspective of one of the main theatre reformers in the twentieth century

Communication Tools for Working with Traumatized Children and Teens Richard Rose,2025-02-21 This expert guide provides 50 essential tools and activities to use in practice with children and young people who have experienced trauma From bubbles balloons and blocks to ghosts monsters and squiggles this book offers a wealth of activities that help children to express their feelings and experiences while feeling safe and supported Case studies demonstrate how each activity can be easily incorporated into daily interactions during social work practice and clear

explanations of the theory provide context for how they work Developed from decades of hands on experience supporting children after trauma this book demonstrates ways to sensitively discuss children s histories This can lead into discussing the way their experiences influence their behaviour and help them to form healthy attachments for the future *Child-Centred Social Work: Theory and Practice* Vivienne Barnes,2018-02-09 With an emphasis on professional expectations values and practice skills such as building trust listening and advocacy this textbook helps enable social workers base their practice with children and young people on a truly child centred model Drawing on contemporary knowledge about childhood and children s rights it provides a critical understanding of the theoretical and legal basis for child centred practice and examines the dilemmas faced by professionals in maintaining their focus on promoting children and young people s participation in decision making Child Centred Social Work is essential reading for students and professionals helping the reader understand what we can learn from the tragic deaths of children such as Baby P and Victoria Climbi and from children and young people in care who need their voices heard

Connecting with Young People in Trouble Andi Brierley,2021-03-16 This powerful critique of youth justice based on lived experience theory and practice looks at the topic through a refreshing new lens suggesting that some existing ways of dealing with children and young people may do more harm than good After making readers aware of Risk Relation Paradox the author shows that positive outcomes cannot be imposed or directed but that they can stem from presence attunement connection and trust PACT Then priority should be given to buffering the impact of familiar but questionable relationships in a youngster s own village that may have led to toxic stress complex trauma criminal or anti authority attitudes and other adverse childhood experiences In arguing for change Andi Brierley brings his extensive experience on both sides of the justice fence as prisoner and professional to bear and whilst he champions the engagement skills of others who have travelled a similar journey he also explains how the approach can be used by anyone

Reviews This important and engaging text will be of great value to those working within the youth justice sector and educators alike Andi Brierley crafts a new framework that facilitates pathways to positive outcomes And offers a rich and insightful account of the key components of effective relationship based practice Dr Sean Creaney Edge Hill University UK This book sits at the intersection between personal lived experience and professional practice and makes it a hugely valuable contribution to the discourse Brierley not only contextually articulates his experiences but seeks to provide a new framework through which youth justice can effect change

Lisa Cherry From the Foreword Author Andrew Brierley is a Youth Justice Specialist with 15 years of experience working with the most prolific serious vulnerable and complex youngsters involved in offending behaviour He is the author of *Your Honour Can I Tell You My Story* Waterside Press 2019 which made a difference for other incarcerated young people and professionals working with young people in trouble concerning the relational issues many such children experience and how they bounce back
