**Magic** Lara Prior-Palmer,2019-05-07 Think the next Educated or Wild Palmer s memoir of beating the odds to become a horse champion is an inspiring saga of perseverance and a classic underdog tale Entertainment Weekly At the age of nineteen Lara Prior Palmer discovered a website devoted to the world s longest toughest horse race an annual competition of endurance and skill that involves dozens of riders racing a series of twenty five wild ponies across 1 000 kilometers of Mongolian grassland On a whim she decided to enter the race As she boarded a plane to East Asia she was utterly unprepared for what awaited her Riders often spend years preparing to compete in the Mongol Derby a course that recreates the horse messenger system developed by Genghis Khan Many fail to finish Prior Palmer had no formal training She was driven by her own restlessness stubbornness and a lifelong love of horses She raced for ten days through extreme heat and terrifying storms catching a few hours of sleep where she could at the homes of nomadic families Battling bouts of illness and dehydration exhaustion and bruising falls she decided she had nothing to lose Each dawn she rode out again on a fresh horse scrambling up mountains swimming through rivers crossing woodlands and wetlands arid dunes and open steppe as American television crews chased her in their jeeps Told with terrific suspense and style in a voice full of poetry and soul Rough Magic captures the extraordinary story of one young woman who forged ahead against all odds to become the first female winner of this breathtaking race Taking off on a horse into the Mongolian Steppe sounds like the bracing inverse to an overpopulated busy urban life but having the skills and grit to pull it off is another thing entirely Lara Prior Palmer attempted the Mongol Derby not really knowing what she was getting into she ended it knowing much more about herself and a race champion besides Estelle Tang Elle      **Comanche Moon**

**Horse Crazy** Jean O'Malley Halley,2019-07-01 Horse Crazy explores the meaning behind the love between girls and horses Jean O Malley Halley a self professed horse girl contends that this relationship and its cultural signifiers influence the manner in which young girls define their identity when it comes to gender Halley examines how popular culture including the pony book genre uses horses to encourage conformity to gender norms but also insists that the loving relationship between a girl and a horse fundamentally challenges sexist and mainstream ideas of girlhood Horse Crazy looks at the relationships between girls and horses through the frameworks of Michel Foucault s concepts of normalization and biopower drawing conclusions about the way girls agency is both normalized and resistant to normalization Segments of Halley s own experiences with horses as a young girl as well as experiences from the perspective of other girls are sources for examination Horsey girls as she calls them are girls who find a way to defy the expectations given to them by society thinness obsession with makeup and beauty frailty and gain the possibility of freedom in the process Drawing on Nicole Shukin s uses of animal capital theories Halley also explores the varied treatment of horses themselves as an example of the biopolitical use of nonhuman animals and the manipulation and exploitation of horse life In so doing she engages with common ways we think and feel about animals and with the technologies of speciesism *Everything Is Perfect When You're a Liar* Kelly
