My Primal Desire Bbw BdsM Werewolf Erotica:

Wild Lust (Werewolf BBW Erotica) Kelly Halstrom, Melinda is a snarky woman living a very average life that alternates between going to work and hitting the gym She d love it if her life were a little more exciting but what she doesn t realize is that someone is about to come into her life and turn it upside down Cash is a rough gruff alpha werewolf who s been tasked with Melinda s protection He knows that she is a werewolf but he s caught completely off guard by the high level of sex pheromones she gives off When his dominance sets off her sleeping wolf will he do what it takes to satisfy her or will she have to suffer on her own Warning This 3500 word tale contains graphic descriptions of hot rough sex Mature audience only Excerpt My guest loomed over me as I was sprawled ungracefully on my back He pinned my arms down and his eyes his eyes were glowing topaz A completely inhuman rumble came out of his throat I was frightened but somewhere inside of me I was excited This close I could smell his scent and it was unlike anything I had ever smelled before It was as if his emotions and personality were strong enough to emanate off of him in subtle waves He was excited frustrated and probably used to getting what he wanted I couldn t tell you how I knew but I did My skin burned where he held me down I knew he could feel the rapid tempo of my heart Could he also know how much this was beginning to turn me on The sheer strength and ferocity he was giving off was turning things low in my body He could probably throw me down and fuck me whether I wanted it or not Shit where did that thought come from keywords werewolf romance werewolf erotica bbw paranormal erotica bbw erotica
