Now St Austell has hired Lionel as an artist and is reunited with Loveday once again. Though she is as beautiful as ever, Loveday lives in poverty and a different sort of mystery seems to be haunting the Trehearnes too. The scandalous viscount is determined to help Loveday despite her resistance, but his toughest challenge will be fighting the passion that still burns between them.

The Viscount's Forbidden Love M.M. Wakeford, 2024-07-01 A beautiful romance and a fitting end to this original series. Goodreads review: A slow burn romance with lots of angst and tension. I feel that Ms Wakeford wrote this story with real sensitivity and with a sense of reality of the time. Goodreads review: From the moment I first met you, I have felt an inexplicable attraction. I want you, Ambrose, and I am unashamed to say it. Daniel Stanton has been blessed with everything. He is charming, confident, and handsome, and heir to the great Stanton fortune. At age 24, he has had his fair share of amorous adventures with women, as well as one tantalising experience with a man, leaving him wondering about his sexual inclinations. Those questions are quickly answered when he first meets Ambrose Cranshaw, his grandfather's estate manager. He wants the man, and what he wants, he usually gets. Not this time, though. Ambrose Cranshaw is everything that Daniel is not. With no fortune to his name and no connections, he has had to work hard to support himself and his younger sister, climbing his way up in the world to the trusted position of the Earl of Stanton's estate manager. He may yearn in secret for other men, but he will never risk it all by acting out on his yearnings. When he first meets the debonair and charming Daniel Stanton, he knows at once that the man is dangerous. With one flash of those dark, torrid eyes, Daniel could bring the whole edifice of Ambrose's life crumbling down. At all costs, Ambrose must hide his true feelings for him.

The Viscount's Forbidden Love is the fourth novel in The Stanton Legacy series. The series is best read in order, although each book does have its own featured hero, heroine, and HEA. Set in Victorian England, this is an MM romance with plenty of heart, angst, and steam, and it does have a happy ending that is realistic and in keeping with the time it is set in.
