Mistress of Paris and Renoir's Dancer Rosa Bonheur was the very antithesis of the feminine ideal of 19th century society. She was educated, she shunned traditional womanly pursuits, she rejected marriage, and she wore trousers. But the society whose rules she spurned accepted her as one of their own because of her genius for painting animals. She shared an intimate relationship with the eccentric self-styled inventor Nathalie Micas, who nurtured the artist like a wife. Together, Rosa, Nathalie, and Nathalie's mother bought a chateau, and with Rosa's menagerie of animals, the trio became one of the most extraordinary households of the day. Catherine Hewitt's compelling new biography is an inspiring evocation of a life lived against the rules.

Boerejood: One Man's Quest to Understand the Miracle of Democracy in South Africa Julian Roup, 2024-10-16

Brilliant, engaged, intelligent, personal, and funny. Financial Times: Ten years after democracy arrived in South Africa, here is a book that gives a voice to the Afrikaner speaking in English about the Miracle of the peaceful transition to majority rule, their worst nightmare. This is a book that goes beyond politics with the very human story of one man giving insight into the hearts and minds of a people struggling to find their identity as white Africans trying to secure their place in Africa. They are seen through the eyes of a Boerejood, a half Afrikaans, half Jewish writer who struggles himself with issues of identity, reflecting the struggle around him. In the final analysis, Boerejood is about the universal human struggle between good and evil, black and white, justice and injustice, love and hate, all that defines us as being human. It takes the reader on an astonishing and remarkable journey of discovery, the destination being the soul of the Afrikaner and an answer to why these people accepted black majority rule with relatively no struggle after years of racist persecution of their black and brown neighbours. Reading Boerejood is like being a voyeur at a hugely animated dinner party where you sit and listen to highly charged debate with intelligent people locking horns. They make fascinating points and then incredibly inane and naïve remarks. Then they dazzle with astute observations. You are hooked and hang on to every word. Cape Times. **No Regrets** Jerry E. Fisher, 2009-06-17

Solange Batsell Herter,2011-02-22 I never dreamed that writing one s memoir was such an eye opening way to figure out who you are and even more surprising learn how you got to be who you are The following account written mainly for my children and grandchildren to read started out to simply chronicle the colorful mix of our ancestry I guess I am now the matriarch You can take that as a qualified statement that I am just getting around to admitting that I am becoming perhaps a tiny bit older and that it s about time I write all this down I shall be writing as truthfully as good taste and common sense allow but I will remind the reader of Winston Churchill s admonition to his readers I care not one whit for accuracy Praise is good enough My feelings exactly *The Nation* ,1872 **Off Track** C.L.Hadyn,2017-05-12 You would think a Native American who could track a piss ant through a meadow covered in heavy grass wouldn t get lost But he was lost Orion Brown son of a full blood Lakota Sioux was lost but not in any geographical location Orion was lost within himself The deaths of five of Gunnery Sergeant Orion Brown s men in combat in Afghanistan and their battle buddies crying on his shoulder had put him into unknown territory Oh he d remained strong for the Marines who survived He bucked them up to resume combat without their battle buddies guarding their sixes but it had cost him His stronger than strong routine had earned him an honorable discharge from the Marine Corps panic attacks and the inability to touch or be touched by other human beings without having a nuclear nervous meltdown His assigned VA shrink was a joke Well the man himself wasn t a joke He was sincere he gave the impression he cared and he listened when he grudgingly shared some of his feelings but if he mentioned survivor s guilt just one more time Orion would show him just how much damage a Marine could do to office furniture The doc just didn t get it He was damned if he tried to open up and interact with the people around him and he was equally screwed if he let anyone throw an arm over his shoulder or kiss his cheek or slap him on the back The first induced no feeling at all as in semi frozen stiff on a morgue slab and the second induced panic attacks of epic proportions He was rapidly being torn apart by the dichotomy of reactions A slip of a finger on his PC keyboard offered salvation The BDSM site wanted to know if he was a Dominant or a submissive He almost didn t fill out the personal questionnaire but overhearing the prevailing opinion of him from two of his students in the Marine Special Operations Tracking Counter tracking Course he taught convinced him he needed to go beyond conventional medical practice Maybe it wouldn t be so bad to have an extremely sexy Mistress paddling his backside if he was brought back to the land of the normal But the Great Spirit was not inclined to grant him normal Irony of ironies there was no female Dominant at the local dungeon strong enough to keep him from topping her Instead he was assigned to Dai Waleska A six foot two inch Japanese American Kung Fu Master Now the overriding question was was it worth submitting to another man s physical and possibly sexual domination for a chance at getting back on a

normal track Which was more important Dominance and submission to conquer his frozen core and panic attacks or maintaining a macho Marine image that would more than likely end with him gargling with a Glock somewhere down a very short road
